

New Staff Members

This year there are six new members on the Lowrey faculty and staff. They are: Mrs. Smuk, Mr. Peters, Mr. Beasley, Mr. Ossenmacher, Mr. Crumrine, and Miss Santeiu.

In this issue we will introduce two new teachers and our new dietitian. In the next issue we will tell you about the other three.

Mrs. Smuk

Mrs. Smuk is Lowrey's new cafeteria manager. She has been a dietitian for over seven years. She said that the cooks in our cafeteria prepare 800 meals in a single day. This includes all the food for William Ford, Miller, and Oakman

Schools in Dearborn. Before coming to Lowrey to take the job of manager after the retirement of Mrs. Gable, Mrs. Smuk worked at Henry Ford Elementary School as a manager. According to Mrs. Smuk, to become a manager you must have a high school education, training, and experience. You acquire experience from elementary school, junior high school, and as a baker or a cook in a restaurant. From this experience you work your way up to senior high school.

Mrs. Smuk said, "My main ambition is to make the students as happy as possible at lunch hour."

Welcome to Lowrey, Mrs. Smuk! We hope your stay is a long and enjoyable one.

Homecoming Near

On October 30, the Lowrey Senior Class will present the 1964 Homecoming. The theme this year is "A Knight to Remember."

The committees of the dance were set up at the first Senior Class meeting of the year on Wednesday, September 23. The committees are decoration, pre-sale ticket, publicity, and queen and her court committee.

Commercial Department News Electric Typewriters Added

A new addition of 30 IBM Selectrics was recently added to Lowrey's Commercial Department.

Through the efforts of Mr. Romanow and the commercial department staff, this addition was made possible.

Ten of the machines are additionally equipped with a simulated key-punch training key-board. The remaining twenty machines have eleven-inch carriages and an advocate style head.

The estimated cost of these new typewriters was \$9500.00.

Mr. MacNamara's and Mrs. Sturgis' Secretarial Practice, Office Machines, and Shorthand 3 classes are all making use of these new machines.

The whole room had to be re-wired in order to accommodate them.

Council President's Busy Summer At U of M And Interlochen

Anita Day, 12B-3, was one of our most energetic students this summer. Besides attending the University of Michigan Leadership Workshop, she also attended the Interlochen State Music Camp for a two-week period.

The High School Student Council Leadership Workshop's main purpose was to "help one understand one's self and develop leadership qualities." Each day Anita participated in a two-hour clinic during which she and Student Council leaders from other schools traded ideas about aims and activities for a good Student Council. Making up the rest of her day were two, two-hour long reaction groups in which the participants had many frank discussions concerning politics, religion, social values, and moral problems.

There were students at Interlochen from all over the state of Michigan. They were the best music students from their respective schools.

Although she had to spend four and five hours each day in rehearsal, Anita found plenty of time for activities such as swimming, tennis and archery.

At night, the students attended various choral and instrumental concerts. One of the high points of her stay was a recreation day in which everyone had a lot of fun.

Anita said she was most impressed with the people. "They were all so very friendly and everyone there had the same thing in common, their great love for music. Wherever you went, you could hear everyone practicing or just singing because they enjoyed music. If I ever have the chance to return to Interlochen, I'll jump at it. This was a most unforgettable experience."

English News

This year, for the first time, all of Lowrey's high school students will be using the English workbooks 2600 and 3200.

According to Miss La Marca, the head of Lowrey's English department, all 10th, 11th, and 12B classes will be using the 2600 books. The 12A students will be using the 3200 books.

The price of the 3200 books is \$2.75. The price of the 2600 books is still unknown.

Starting next year, Miss La Marca stated, the 10th grade will use the 2600 books and the 12th grade the

Enrollment Figures

Lowrey School has students ranging in grades from kindergarten through the twelfth grade. The total number of all students is 1,878. According to the figures supplied by the office as of September 4, 1964, the total breaks down as follows:

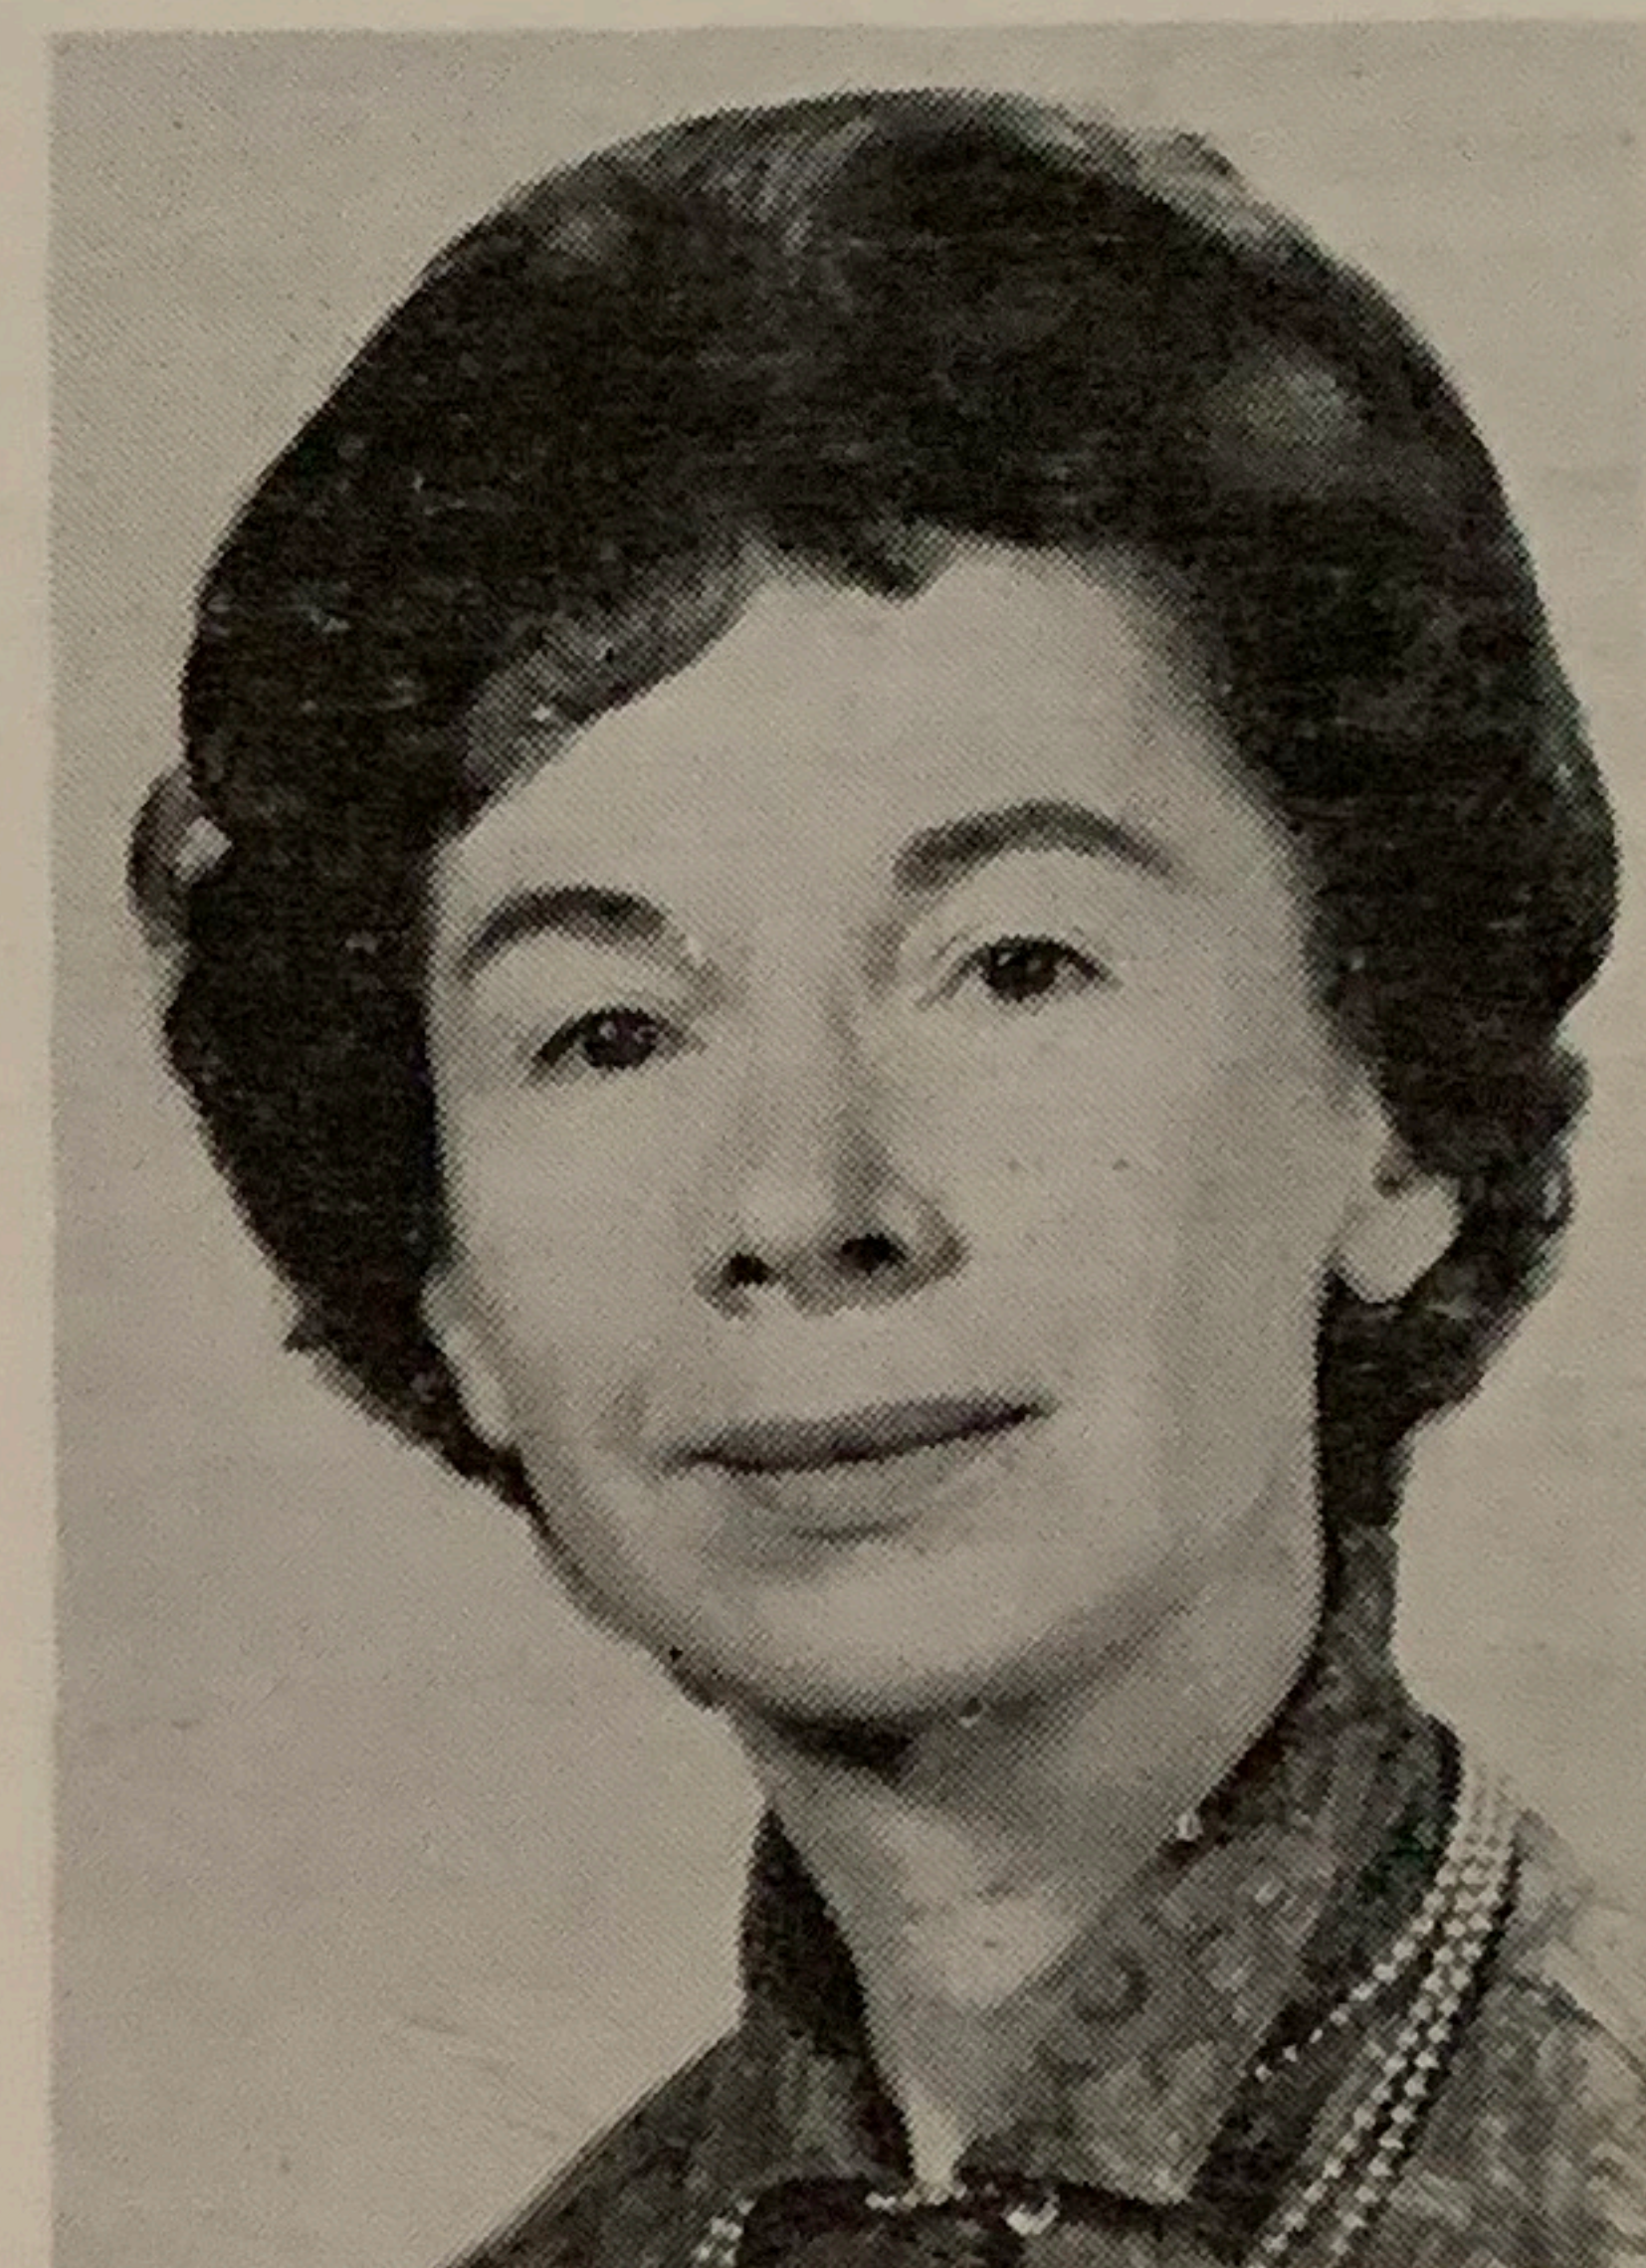

Senior High	989
Junior High	415
Elementary	342
Kindergarten	83
Special Education	49

These figures are incomplete; the total enrollment is not official.

3200 books. The 11th grade will not have an English workbook.

Language Teacher Visits Russia

Last summer Miss Romanow, Lowrey's language teacher, visited Russia and attended the University of Moscow for ten weeks as part of a cultural exchange program between

Russia and the United States. All of her expenses were paid by the Soviets.

She was selected along with 24 other college and high school instructors to participate in this teacher exchange program. Miss Romanow applied for this program to the Inter-University Commission, whose chairman is in Indiana. Some of the qualifications needed to apply were to be able to read, write and speak Russian fluently.

The main reason for this program was to help the American instructors to improve and perfect their Russian and to help the teachers of both countries to exchange study methods. They received no accreditation for the course; they participated only for self-improvement. Her schedule consisted of six hours of class three days a week, and four hours of class two days a week. On these two days she also went on sight-seeing excursions. She had Sundays free. The only language spoken in her classes was Russian.

Some of the places of interest she saw while she was in Russia were Red Square, the Lenin Library, and Lenin's tomb. She spent many of her evenings going to operas, plays, and ballets.

When asked what she thought of the Russian people she replied, "I found all of the people I met in Russia very friendly and hospitable."

Lowrey Student Sees President

Hugh Gallagher, one of Lowrey's seniors, was present when President Johnson gave his Labor Day speech to a crowd of over 100,000 in Kennedy Square (formerly Cadillac Square in downtown Detroit).

According to Hugh the speeches given by President Johnson, Walter Reuther, Governor Romney, Senator Philip Hart, and Congressman at large Neil Staeble were very interesting.

Also present at Kennedy Square was Mrs. Johnson.

Highlights of the President's 40 minute speech were his statement for more government unity and his plea for world peace. Brought into mind also by the President was the question of international disarmament. This speech began Johnson's campaign for re-election.

According to Hugh, "The crowd was very enthusiastic over Mr. Johnson's speech."

New Upperclassmen

There are twenty-five new elev-
this semester.

Eleventh Graders:

Donna Abell
William Densmore
Jery Dover
Jeri Lynn Gillihan
Raymond Gains
Bill Holbird
Shirley Lewandowski
Judith LeMond
Walter Masciulli
Helena McDonald
Patricia Nelson
James Rattray
Michael Rushings
Anna Schalk
Caron Ann Assche
Ronald Van Assche
Cheryl Zubres

Twelfth Graders:

Marcella Chmelar
James Holbird
Roger Suddard
Klaus Viherialehto

Welcome to Lowrey High School, and lots of luck in your remaining years here.

Student Council Sells Donuts

Have you ever gotten up too late to eat breakfast before your bus came in the morning?

Have you ever skipped your breakfast, and then found you were starving by first hour? Or worse yet, been hungry in the morning, but couldn't find anything good to eat at home?

If so, then you'll be glad to know that this year the Senior High Student Council is again sponsoring the sale of donuts and milk each morning in the cafeteria before homeroom. Stop in, and support this worthwhile activity. It's a great way to start your day. But please, remember to leave the cafeteria as you found it — neat and clean.

Inquiring Reporter

We asked people of Lowrey what place of interest they visited this summer, and what was their most outstanding impression. These were some of the replies:

Mr. Irwin: Got married, went to the New York World's Fair, Washington, D.C., Williamsburg, Chicago and Northern Michigan.

Linda Wilkinson: I went to Denver Colorado, and I stopped at Independence, Missouri, to see the Truman Library. I enjoyed seeing all the many fascinating documents of World War II.

Linda Altherr, 12-1: I visited Wyoming. The mountains are beautiful. You have to be there to really appreciate it.

Linda Goehring, 12B-2: I went to California. What impressed me most was the mountains, ocean, and scenery. Also, Las Vegas!

Mike Keleman, 11B-6: Went to Louisiana and chased alligators.

week's canoe trip down the Rifle
Ron Takacs, 12B-9: I went for a River in the northern lower peninsula of Michigan, and it rained all the time. The nicest thing we saw was the sun at the end of our last day.

Ray Berry, 11B-1: During my vacation in South Carolina, I toured an unfinished train tunnel started long ago but never completed because of the Civil War. It was fascinating, I walked through three miles of it.

Nancy Sterling, 10B-11: I spent some time at a ranch and did quite a lot of horseback riding, and water skiing. I've got enough cuts and scars to prove it!

Miss Hasler: I flew to Ireland, rented a car and toured the country for three and one half weeks. Then I flew to Scotland and did the same thing. Although Scotland has more beautiful scenery, I enjoyed Ireland more because the people were so charming and friendly.

Charlene Newton, 12B-7: I went up north and played cowboys and Indians on horses with Priscilla. Also went to Pennsylvania, Canada, and Niagara Falls. It was exciting and thrilling all the way.

Rozlyn Reece, 12B-8: I went to the World's Fair, then to Ohio where I visited Mr. Meredith, former Lowrey High School teacher.

Mary Kirk, 12B-5: I went to Washington, D.C., with my family. I was very much surprised at how many people went to visit the White House.

Junior High Forms Chorus

The ninth graders of Lowrey's Junior High School have recently organized a special choir, which will sing three or four mornings a week before homeroom. The first session they held was on Wednesday, September 16.

The ninth graders came up with this idea themselves. They then asked Mr. Mys to be their sponsor.

Exchange Pupil at Lowrey

Our exchange student this year is a boy. His name is Klaus Viherialehto and he is from Tampere, Finland.

When asked why he came to this country to be an exchange student he commented, "to get to know this country."

His parents are still in Finland so he is staying with the family of our senior student, Ron Mountenay.

Klaus commented that "Lowrey is O K but the classes are too long." Classes in Finland are 45 minutes long with 15 minutes in between classes. Klaus also stated that the students in Finland go to school on Saturday.

When asked about the difference in the kids in America and the ones in Finland he said that they are about the same.

Klaus has one brother and sister still living in Finland. He has been here only one month.

His favorite hobbies are motorcycles and cars. He also enjoys listening to our popular music. He stated it was about the same here as in Finland.

New Teacher at Lowrey

Mr. Guy Peters, one of Lowrey's new English and math teachers, graduated from Wayne State University with a bachelor of science degree. He majored in math and

social studies, with minors in English and science. This summer, Mr. Peters started work on his master's degree at the University of Michigan. After he finishes his master's and obtains his PhD, Mr. Peters would like to teach at the college level.

Before becoming a permanent teacher, Mr. Peters did student teaching with Mr. Boatwright's classes last year. He said that he enjoyed teaching at Lowrey very much. Mr. Peters also taught classes at a junior high school in the Detroit Public School system.

Mr. Peters is also the new Student Council sponsor. He said that he enjoys being the new sponsor, and he also added, "I am very excited about working with the Student Council as it affords me the opportunity to work with the cream of Lowrey's crop." Some of the plans for Student Council are the Get-Acquainted Dance, the election of sophomore class officers, the election of the Homecoming Queen and her Court, and the Homecoming parade at the football game. Their plans also contain the election of the class officers and the Student Council officers in the spring.

The one favorite sport Mr. Peters enjoys most is football. He has no other special hobbies.

His wife, Mrs. Kathleen Peters, is now teaching French at the Clintondale High School.

Future Teachers To Recruit For-64

Members of the Future Teachers Club recently held their first meeting and discussed some of the plans for the coming year.

Their primary concern was the plans for a club picnic on October 6. They also finalized plans for a trip to Eastern Michigan University for members preparing to enter college next fall. The members decided to continue the program of cadet teaching for seniors and juniors and discussed their money-making project of selling folders.

The club mainly consists of upper-classmen, so it is a recruiting stage. Therefore, this is an excellent opportunity for anyone interested in teaching to join. Meetings are held on the first of the month in Room 241.

Thespians Plan Big Year

Lowrey's Thespians are going places! This year Mr. Irwin, the sponsor of the dramatic club, has many new things planned for his young dramatists.

The first item on the Thespian's agenda will be the building of the sets for the Variety Show in October.

On November 11 and 12, the Thespians will present a three-act farce, "Blithe Spirits," which is a former Broadway production. There is also going to be a play writing contest for all Lowrey High students. The best one-act play will be put on by the Thespians during the Christmas season. Interested students should contact their English teachers.

Mr. Irwin welcomes all newcomers to the Thespians and encourages students to try out for the plays.

Roz Reece, president of the Thespians, in an interview with the Lowrey Light was quoted as saying "We wish to welcome all new members to one of the most active programs the Thespians have ever had."

The Thespians officers are:
 Rozlyn Reece _____ President
 Larry Shottliff _____ Vice-president
 Beverly Straver _____ Secretary
 Barbara Ripod _____ Treasurer
 John Angelos, Randy Merrow _____ Historians

Students See The Beatles

Some of Lowrey High School's girls went to see The Beatles at Olympia. Here are opinions of seven of the girls:

Daria Neusel, 10B-8: They were good but would have been better if you could see them.

Arlene Fraser, 12B-3: Fabulous.

Diana Koon, 12B-5: Fantastic.

Mary Lou Mazur, 12B-6: Fantastic.

bulous.

Nurses Activities

The first meeting of the Future Nurses Club for this year was held on Tuesday, September 22. Following a short business meeting at which the President, Heather Clark, outlined the purposes of the club and some of the plans for the coming year, the girls were divided into pairs to get acquainted. After interviewing each other each girl was then asked to tell what she had learned about her partner. Not only did this prove to be humorous, but also helped to make everyone feel at ease. Punch and cookies were served as refreshment.

At the next meeting which will be held on Tuesday, October 6, a discussion of the new rules, the program for the year, and the selection of members for committees will take place.

Remember that meetings are held on the first and third Tuesday of every month, and are open to any boy or girl in grades nine through twelve who is interested in nursing or allied careers.

Volunteers Work In Hospital

This past summer 13 of Lowrey's students volunteered their time as Junior Red Cross workers at the Veteran's Administration Hospital and Wayne County General Hospital.

The following people worked:
at Veteran's Hospital:

Catherine Bruce,	12B-1
Marsha Buzanowski,	12B-2
Lynne Campbell,	12B-2
Heather Clark,	12B
Karen Croskey,	12B-2
Connie Doughman,	11B-3
Sharon Magdowski,	11B-8
Martin McKinnie,	12B-8
Judy Price,	12B-8
Jacqueline Rousse,	12B-8
Laureen Wegge,	11B-13

at Wayne County General:

Linda Gass,	12B-4
Linda Zometsky,	11B-12

These students participated in many different duties that took them to all parts of the hospital. These include such things as; working on the wards, doing escorts, working in central supply, and in housekeeping. Those who put in 50 hours or more of service received a pin and a certificate.

Lowrey School has been chosen to represent the High School Volunteers of this area, at a luncheon given by the American Red Cross. This luncheon will be held at Cobo Hall on October 8, 1964. We feel it a great honor to have been asked to attend.

We would like to congratulate all the volunteers on a job well done.

Mary Mellem, 11B-8: Great.

Margaret McKee, 11B-8: Wonderful.

Diane McFarlane, 10B-8: It was well worth five dollars.

New Addition To Faculty

Mr. Beasley is in the English department. He is from Detroit. He did his student teaching at Fordson and Redford High Schools.

Mr. Beasley got his inspiration to teach from a college professor. He does admit that in high school teaching was the farthest thing from his mind, but his professor taught him to appreciate and enjoy literature. Another reason is that he enjoys teenagers. He prefers teaching eleventh and twelfth grade.

Mr. Beasley graduated from Mac-

kenzie High, and previous to that, he attended Tappan Intermediate. He is a graduate of Wayne State University where he earned his bachelor's degree in English education. He's studying for his master's and wishes to acquire hours beyond that because he would like to teach in junior college someday.

In his opinion, to make the subject interesting to his students is the hardest job. Knowing that he has educated people for the future gives Mr. Beasley the most satisfaction, and he says that he can tell "by the response of the pupils and just the looks on their faces."

Mr. Beasley expects his students to:

1. Do their basic assignments.
2. Have class participation.
3. Ask challenging questions instead of just accepting what he tells them.

His main hobby is reading, but he also enjoys all forms of music, including folk music, classical music, jazz, and even rock and roll. Swimming and bowling are on his list too.

His pet peeve is having someone tell him that they will meet him at a certain time and then be late, or for that matter, any discourtesy at all.

**Plan Now For
 HOMECOMING**

Seniors Observe Worlds Fair

The New York World's Fair is a fascinating place and several Lowrey students visited it this summer. Below are the combined opinions of two of these students.

The New York World's Fair is first and foremost an architectural show with many colorful buildings of all sizes.

The most impressive buildings are the Ford building's Rotunda, the General Motors building, and the United States Pavillion. The pavillions are from large corporations, the states of the United States and all over the world.

The best exhibits are put on by large corporations like General Motors, Ford, General Electric, and Dupont. The genius of Walt Disney enlivens many exhibits with life-like mechanized figures. In contrast to the striking, large exhibits there are the small shops from the far corners of the globe to the exotic African restaurants and the quaint Belgian village to tropical Hawaii.

The Fair is most beautiful at night with its color fountains, lavender lit Unisphere and the lights of New York City.

In spite of the great amount of walking a person does at the Fair, the long lines to wait in, and the absorbent prices, the experience of going to the Fair is well worth it.

Rozlyn Reece, 12B-8

Hugh Gallagher, 12B-4

Band Member At Interlochen

Dave Dobrotha was one of the fortunate twelfth grade students who were able to attend Interlochen Music Camp this summer. Dave was chosen to represent the band because of his outstanding talent on the trumpet.

When asked about his experience this summer he stated, "I had lots of fun, but I also worked and learned more in those short two weeks than I have in all the rest of the time I have been playing the trumpet."

He was very much impressed by the kids that were there along with him. He stated "they were friendly, musically minded all the time, and very ambitious."

He enjoyed the activities along with the music so much, that he is trying for a scholarship to go back.

Before Dave left Interlochen, he was invited to play with the Michigan Youth Symphony every Saturday. He stated that he liked this very much and is now participating in this program.

Goals are like stars: they may not be reached, but they always be a guide.

Win First League Game 18-6

Tri-River League To Expand

Next year Lowrey High School will be in league competition with three new high school teams. They are Garden City West, Southgate-Schaffer, and John F. Kennedy (Taylor Center).

At the present time Lowrey remains in a five-team league which includes: Southgate, Riverside, Cherry Hill, and Haston. These teams make up the Tri-River League.

In the spring of this year the teams will enter the league in competitive action in baseball, track, and tennis. Next year they will also be active in football, basketball, cross-country, and swimming.

With the addition of the new teams, the Tri-River League could become much stronger. It could make a lot of difference in the future as to who will rule the league, for it has been Riverside in the past.

Here is the way the trophies went last year:

Football	Riverside, Lowrey
Basketball	Riverside
Cross-country	Riverside
Baseball	Riverside, Southgate
Track	Southgate
Golf	Riverside
Tennis	Riverside

Out of nine possible trophies, Riverside won four, tied for two while Riverside won one and tied for one; and Lowrey tied for one.

Let's hope the years to come will be Lowrey's with the bringing of the new teams for an eight team league.

G.A.A. News

Senior High girls—here is the information about G.A.A. given to us by Miss Weaver, the sponsor.

Tennis began September 23 and is being held every Wednesday night after school. The first two weeks will be instructions. The tournament will be held October 6.

Swimming began September 22 and will be held every Tuesday night after school and will continue for six weeks.

Other activities:

- Badminton
- Softball
- Volleyball
- Shuffleboard

NOTICE:

Bowling is held the same night as swimming and will be considered as part of G.A.A. and points will be given.

**Go Bears Go
Beat Flyers**

Majorettes March

Lowrey's majorettes, last Saturday, went along with 170 members of other Michigan schools for Band Day which is held at the University of Michigan each year.

The majorettes will be performing at our first home game today against Willow Run.

Dorothy Calvin, 12B-2

This year, the seven-girl squad is under the direction of their head majorette, Dorothy Calvin, 12B-2. The co-captain is Susan Bydlowski, 12B-2, and the regulars are as follows: Eve Brill, 12B-1; Sharon Cayley, 12B-2; Becky Dagenhardt, 12B-3; Carol Evanchuck, 11B-4; and Joan Houle, 12B-4. The alternate for the year is Cynthia Ganski, 12B-4.

The majorette sponsor, Mr. Keranan, gave his thoughts on the success of the squad for this year: "I am looking forward to a successful season with the squad this coming year. I am basing my prediction on the try-outs that were held last April. All the girls seemed quite eager to cooperate and should do a fine job."

The majorettes march, along with the band, at the half time show of all home games. See you there!

Band Day

On Saturday morning, September 26, the Lowrey High Concert Band left for Ann Arbor, Michigan, to participate in the Sixteenth Annual Band Day at the University of Michigan.

A total of 190 bands appeared and over 13,000 students marched out into the field. Everyone enjoyed themselves as they saw the University of Michigan battle the Air Force Academy.

These were the numbers the Concert Band played: Triumphal March, Locomotive, The Whiffenpoof Song, Smile, Soldiers' March, and The Thunder March.

I almost succeeded in making ends meet — and then somebody moved the ends.

Reserves Prepare For First Game

Lowrey's Reserve Football Team started practice on August 31. Coach Gretzner greeted approximately 36 boys to opening practice. At that time Coach Gretzner commented, "We have some good prospects but we have a long way to go."

According to Coach Gretzner, Lowrey is the team to beat this year. Our toughest opponents will be Riverside and Southgate, and Riverside has already fallen to the Polar Bears.

J.V.'s Bury Rebels

defeated Riverside on Friday, September 18, by the score of 34-0.

The first quarter was scoreless, but the fact that Lowrey fumbled twice while they were threatening to score showed that Lowrey had opening game jitters.

The second quarter proved different. Jacek, 10B-7, ran 60 yards down to the Riverside two yard line to set up the first touchdown. Ed Gabrys, 10B-7, took the ball over, and Steve Gerych, 10B-7, ran the extra point.

The score at this time was 7-0.

Late in the second quarter Gabrys ran around end for 70 yards for the second touchdown. Gerych ran the extra point to make the score 14-0 at the end of the half.

In the third quarter, on Lowrey's first play from scrimmage, John Hull, 10B, ran 98 yards off guard for the touchdown. Gerych ran the extra point making the score 21-0. Midway through the third quarter, Lowrey scored again as Bob Holbird, 10B, went 30 yards. Again Gerych ran for the extra point making the tally 28-0.

Later in the quarter, Gerych ran for 60 yards to score Lowrey's final touchdown. The extra point was missed and the final score was Lowrey 34, Riverside 0.

When Coach Gretzner was asked what he thought of the game, he replied, "A good start, the overall play was tremendous."

...Then Nip Haston

Lowrey's Reserve Football Team defeated Haston on Thursday, September 24, by the score of 14-7.

The first quarter was a scoreless duel, but Lowrey had the edge in play. Twice they drove deep into Haston territory, then fumbled to end the threat.

In the second quarter, Lowrey started a drive on the Haston 40 yard line which featured Gabrys 15 yard run around end. Jacek scored from 2 yards out. Gerish ran the extra point. Score: Lowrey 7, Haston 0.

One minute before the half ended Haston tied the score 7-7.

With one minute left in the game, the Haston quarterback threw a

Lowrey's Varsity Football Team won its first league game by defeating Cherry Hill 18-6 on Friday, September 25, at Cherry Hill.

In the first quarter, Lowrey kicked off to Cherry Hill and they ran it back to Lowrey's four-yard line. Cherry Hill ran the ball into the end zone and fumbled and Lowrey recovered the fumble. The quarter ended without a score.

In the second quarter, Cherry Hill made its only touchdown and the half ended 6-0.

Lowrey received in the second half. Bradley St. Andrew ran the ball thirty-five yards on the second play and ran out of bounds on the seven yard line. Doug Cole scored on an end run. The third quarter score was 6-6.

In the fourth quarter, Bradley St. Andrew intercepted a pass and later scored on a long run of about forty yards. St. Andrew scored again on a short run and the game ended 18-6.

Last year Lowrey shared the Tri-River Championship with Riverside and this year the team is off on the right foot.

Bears Lose 26-20

Lowrey's Varsity football team lost its first game against Lutheran West 26-20, on Friday, September 18, at Lutheran West.

Lutheran West completely dominated the game; they had possession of the ball 77 times from scrimmage and Lowrey only 32 times. Lowrey scored first on a blocked punt. Don Bogataj blocked it, picked it out of mid-air, and then lateraled to Frank Perri for the touchdown. The extra point was good. Lutheran West scored to tie the game. Lowrey scored again on a seven yard run by Bradley St. Andrew. Lutheran West tied the score by half-time.

In the second half, Lutheran West scored two quick touchdowns. One was an 80 yard punt return by Bill Bray. Darrel Campbell scored on a run to put Lowrey within 6 points, but time ran out and the final score stood at 26-20.

Lowrey drew a good turn out for an away game and it is hoped that this spirit continues.

pass from the Lowrey 40 yard line. It was completed at the 10 and it looked as if the game would be Haston's. The end was running into the end zone when he fumbled, and Mike Jacek recovered for Lowrey on the 2 yard line. On the third down with twelve seconds to go, Hulls ran a dive play over tackle that went 97 yards for the touchdown. Gerish ran the extra point.

When asked to comment on the game, Coach Gretzner said, "I'm proud of the fact that the boys can come from behind and play under pressure. That's a sign of a good ball club. The boys outplayed Haston both on defense and on offense, the score doesn't indicate how we outplayed them."
