

## Staff To Change Story Concluded

In the last issue of the Lowrey Light, there was a story about teachers who were either transferring or retiring from Lowrey. Seven more teachers who are either transferring or retiring are: Mrs. Anderson, retiring; Mr. Butke, transferring; Miss Groce, transferring; Mrs. Gustafson, retiring; Mr. McNamara, transferring; Mr. Martin transferring; and Miss Moore, transferring.

### Mrs. Anderson

Mrs. Anderson, who teaches elementary vocal at Lowrey, graduated from Western Michigan University. She said, "My one ambition was to continue my vocal training." She was with Detroit Opera Company for several years, with the Ford Sunday Evening hour (a nation wide broadcast) for 8 years and she sang in the choir of the Detroit First Presbyterian Church for 25 years.

Mrs. Anderson said, "It has been a marvelous experience doing choral work," she added, "I have been able to teach the children the way I wish I had been taught. You have to love them, not just like them."

Her plans are to relax with her in their lovely home in Dearborn and to travel to see Alaska and "America the Beautiful, all parts."

### Mr. Butke

Mr. Butke, who has been working in the math department for 16 years at Lowrey High, is transferring to Fordson High next September.

# Class Of '66' To Graduate 282

As we look back to the past of our now present seniors, we find them in their sophomore year. There are 370 in all the classes. Jan Ting is president, Toni Sudut vice-president, Liz Johnson is Secretary, and to take care of the money is Jan Wismuller. We didn't sponsor any activities this year.

A year later those sophomores are juniors. For president we have Ray Berry, and the vice-president is Toni Sudut. Marlene McIntosh is now secretary and Michael Hanusik is treasurer.

This year the juniors sponsored a Sponge Dance in November, a car wash in April and a paper drive in May.

Coming out of the past and into the present we have for president again Ray Berry. For vice-president we have Toni Sudut, secretary Liz Johnson and treasurer Mike Hanusik. In October we sponsored the Homecoming Dance and in May a paper drive.

Our senior prom will be held on June 11th at H.F.C.C. A big turnout is expected.

On June 16 our class will graduate approximately 282 students.

On behalf of the student body and faculty, we wish all graduating seniors success and happiness in their future years.

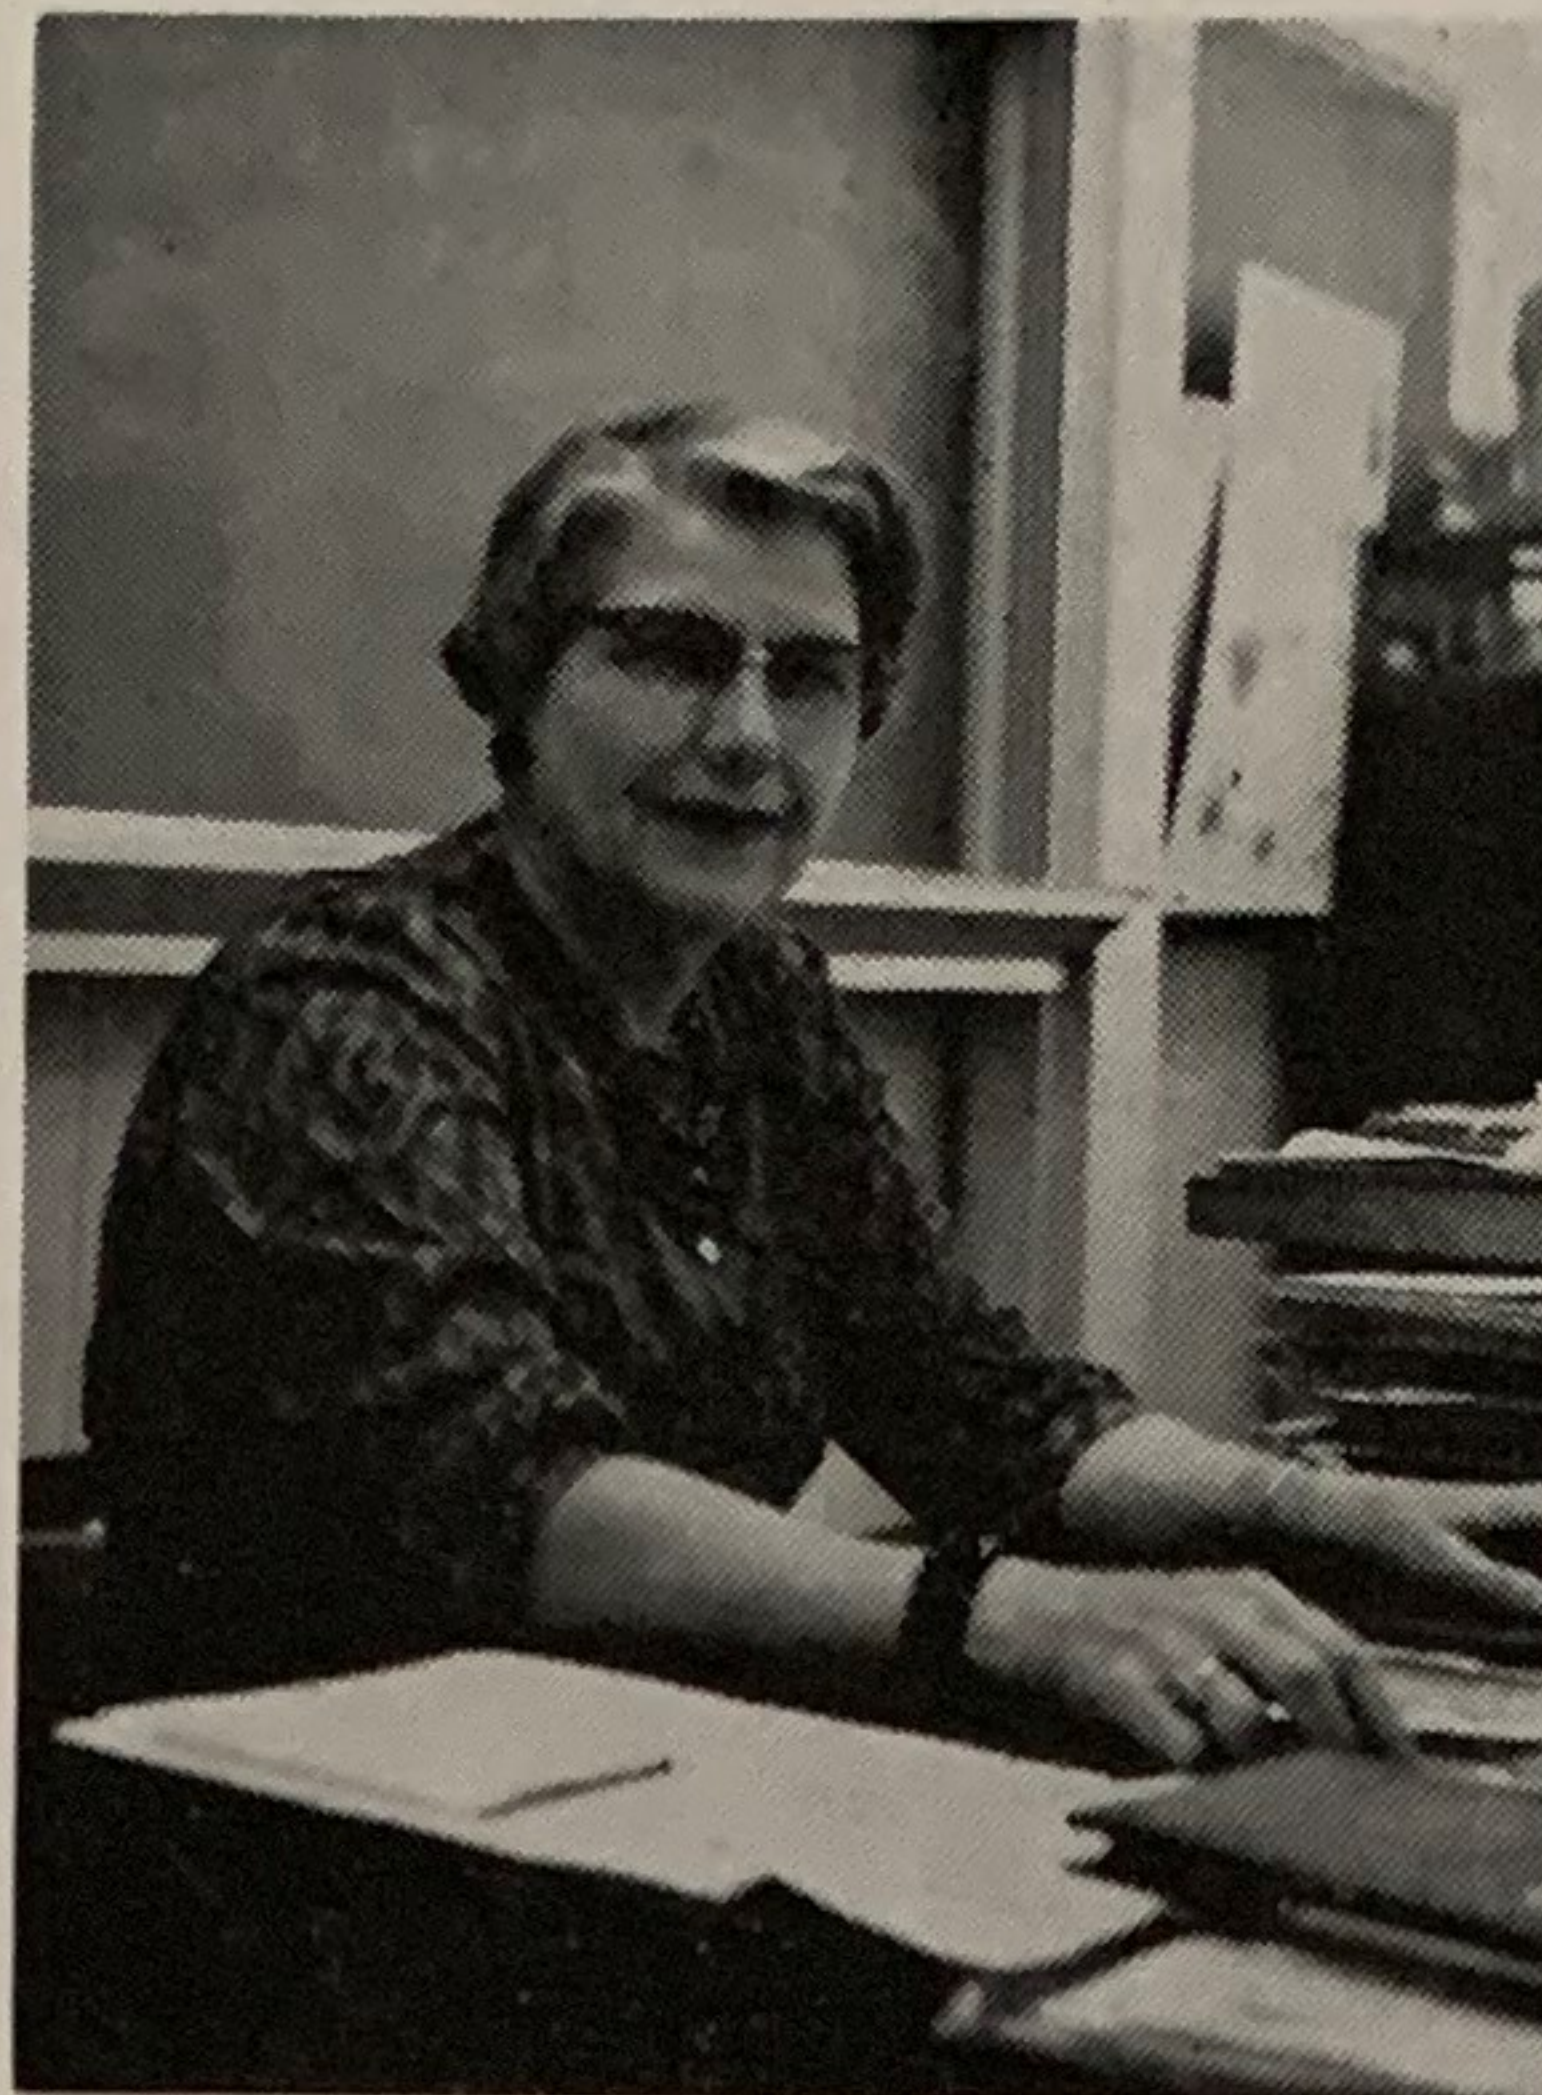

## Gold And Silver "L" Winners Announced

It is the custom of Lowrey School to acknowledge the seniors who have maintained high scholastic averages during their stay at Lowrey. This will be done by presenting silver "L's" at the Honors Assembly on June 10. The gold is symbolic of the highest grades.

Seniors receiving the gold "L" are: Susan Dworakowski, Bill Holbird, Jean Novak, Dennis Pycz, Jan Ting, Jan Wissmuller, and David Zuk.

Seniors receiving the silver "L" are Joanne Bowers, Jack DaQuane, Richard Fritz, John Haktisian, Sheryl Harrison, Linda Hawkins, Linda Irons, Shirley Jacobs, Carole Lake, Steve Lenard, Frank Ligi, Walter Mascuilli, Marlene McIntosh, Gary Moody, Robert O'Neil, Lana Presley Paul Serri, and Dorothy Thompson.

The Lowrey Light, on behalf of the student body and faculty, would like to extend congratulations to these seniors for a job well done.

Mrs. Ruth H. Elliott

## To The Seniors

This being the first time I have been the sponsor of a class for three years, I could not compare them to any other senior class. As I think back over the three years, I have mixed emotions. While you work with a group of students at all hours of the day and night, and ride the emotional tide with them, you become very attached to them. This class has many accomplishments of which to be very proud. Ninety percent of this Senior Class are of the finest young people with whom I have ever worked. However, every class, school and society as a whole will have the other ten percent.

Seniors, this has been one of the richest experiences of my many years of teaching. You are an excellent group; I know you will succeed if you will just keep the desire.

I won't say farewell or good-bye for you will live in my heart forever; so best wishes and may all of your dreams come true!

—Ruth H. Elliott

**Seniors—"We Wish  
You Well"**

**—Dr. Seavitt**

Rather than bidding farewell to our Seniors, it seems much more appropriate to use the phrase "until we meet again." Many of you will be making some type of contact with Lowrey. The contact will be for job reference, transcripts for college entrance, or just to visit and reminisce. The time element of these contacts may occur from a few days

## Sophs, Juniors Elect Officers

Elections for the Seniors, Juniors, and Student Council officers were recently held. The next year's Senior Class officers are:

Steve Gnewkowski President  
Dave Bydlowski Vice-president  
Jerry Lee Chmela Secretary  
Karen Sudut Treasurer

### Senior Executive Board:

Robert Bonzer  
Nancy Sterling

The results of the Junior Class elections are:

Gerry Hull President  
Sheryl Ollie Vice-President  
Arlene Harrel Secretary  
Bonnie Clark Treasurer

### Junior Executive Board:

Anne Marie Kurczyniec  
Cheryl Mahan

### Student Council Officers:

Jerry Harrington President  
Mary Kay Vadrnais Vice-president  
CONGRATULATIONS!

Mr. Bodary, Student Council sponsor, commented that he was pleased and surprised to find that so many people took the initiative to run for office and hopes to see the same enthusiasm in years to come.

## Honor Guards Chosen For Graduation

Each year the juniors with the highest averages are chosen to be honor guards and ushers at the honors assembly and at commencement exercises.

The two juniors with the highest averages are chosen to be honor guards. They wear white robes and escort the seniors to their seats.

This year's honor guards are Judy Jubenville, 11A-6, and Diane McFarlane, 11A-8.

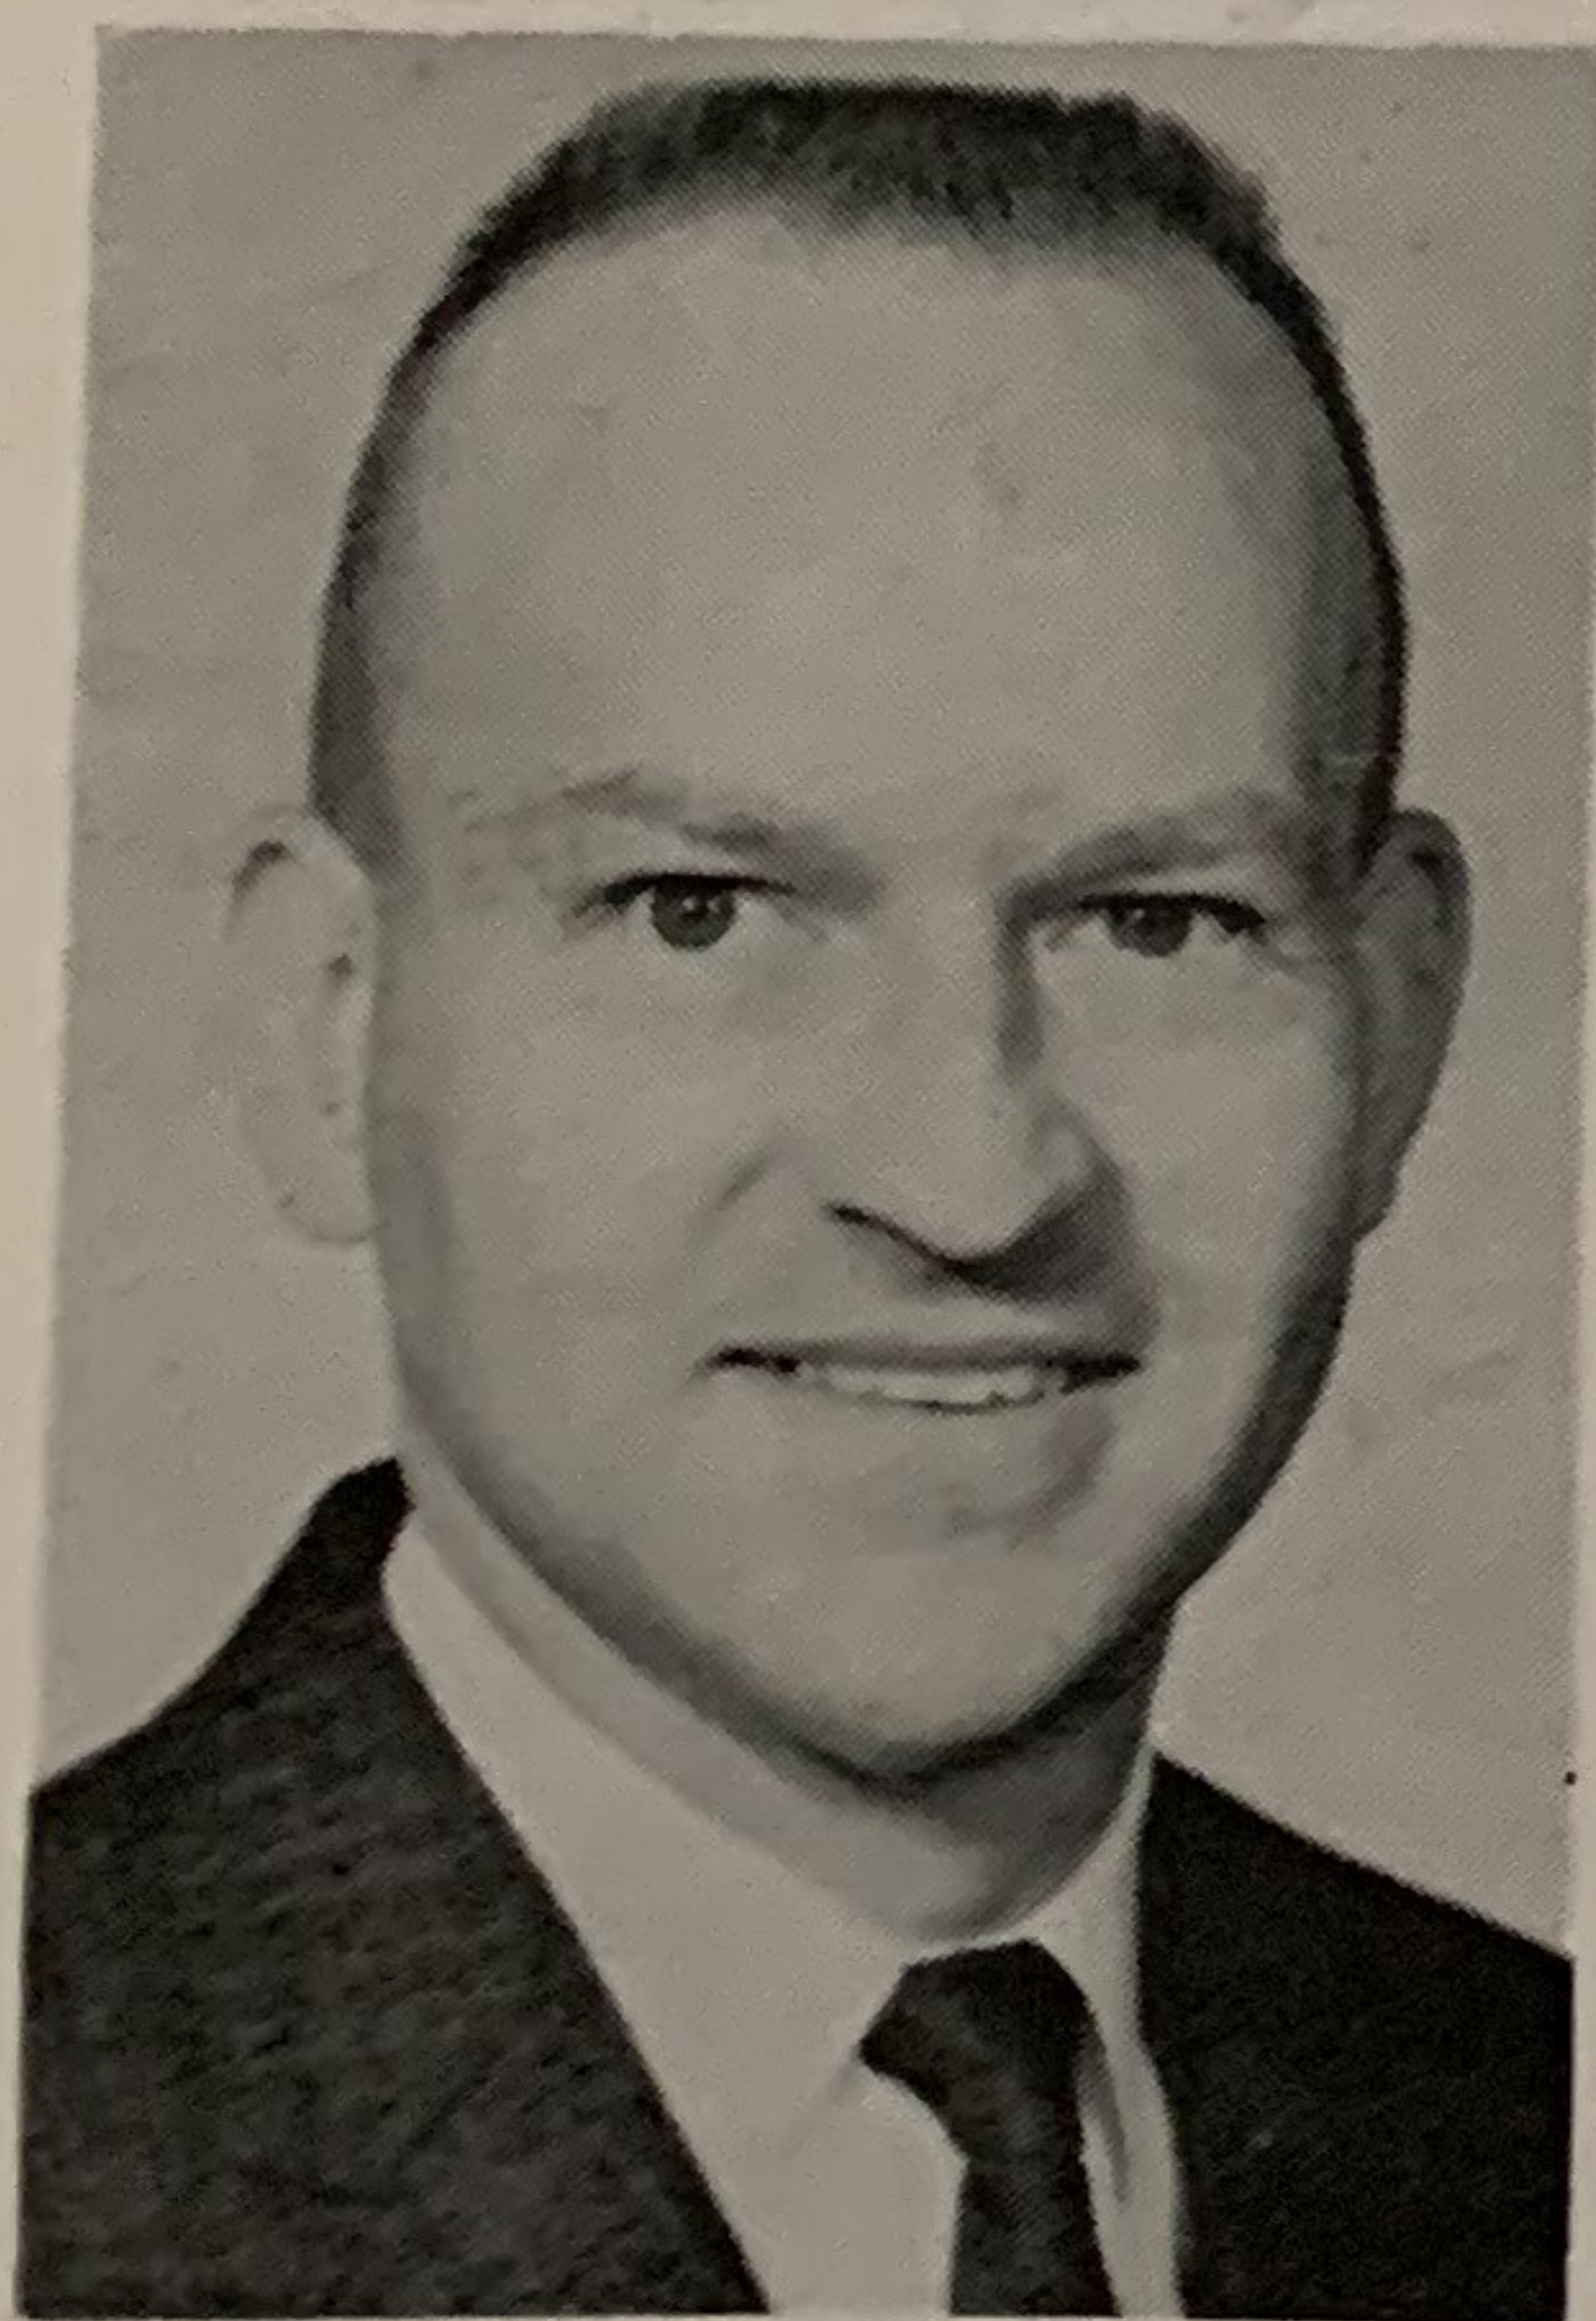

The ushers are the juniors with the next highest averages. This year's ushers are as follows: Gail Dearvang, 11A-3, Ed Gabrys, 11A-4, Paula Wilder, 11A-12, Cathy Andrusiak, 11A-1, John Luchini, 11A-7, Jan Carlson, 11A-2, Betty Bellotti, 11A-1, Mike Kochoff, 11A-6, and Dianne Charron, 11A-2.

The staff of the Lowrey Light, on behalf of the student body and faculty, would like to extend their congratulations to these students.

to ten or fifteen years. Such contacts really never end. You have been a very important part of Lowrey for three years. In turn, Lowrey will be a part of you for the rest of your life.

As a representative of the Lowrey Staff, we wish you well for the future and will be happy to help you to make that future a happy one.

**Richard C. Seavitt**

Mr. Austin Butke

Since the Dearborn Heights residents have recently voted for the new building of a new high school, things are uncertain at Lowrey. He has also been notified of a vacancy at Fordson High School.

Therefore, although reluctant to

(continued on page 2)

## Conclusion To Staff Changes

(continued from page 1)  
leave Lowrey, he felt it is a smart move to do so now while there is a convenient vacancy.

### Miss Groce

Miss Arlene Groce is resigning from the Commercial Department at the end of this semester. She plans to be married in the near future and to live in Big Rapids with

Miss Arlene Groce

her husband who will finish his last year at Ferris State.

Miss Groce taught shorthand, typing, bookkeeping and secretarial practice. She hopes to secure a teaching position during the remainder of that year.

typing bookkeeping vbqkq bvggk,fl

### Mrs. Gustafson

Mrs. Ann Gustafson has been teaching in Dearborn schools since September of 1943. She transferred from Woodworth Elementary to Lowrey in 1957. She taught junior high school once for 14 years; she has been teaching for over 25 years.

Mrs. Gustafson's husband teaches at H.F.C.C. so she has no plans to move from Dearborn until he retires. Having previously traveled to Europe, she has no plans to go abroad. Nevertheless, she plans to go vacationing in Portland, Oregon and California this coming summer.

After she retires she plans to do everything she hasn't had time to do in the last 25 years.

She said that since she has been teaching here, "I have always had some good students and citizens. She also said she would miss both her teacher and student friends.

It is interesting to note that two of Mrs. Gustafson's former pupils are Mr. James Boatwright, Assistant Principal, and Mrs. Barbara Natkowski, girl's gym teacher.

### Mr. McNamara

Mr. Edward McNamara, of the Commercial Department here at Lowrey is transferring to Henry Ford Community College this fall. There he will teach accounting, shorthand, and data processing.

Mr. McNamara has been teaching here since 1954 and taught at Berkley High School previous to

## Asterisk To Feature Students' Work

If you like to think about the world of ideas, music, nature, escapism, or death, you will be interested in this year's **Asterisk Magazine**. In just two years the Literary club, and its sponsors, Mrs. Helveston, Mr. Jones, and Mr. Leslie, have created an original, creative, and colorful magazine.

Last year it was 46 pages long with black and white sketches by the students. This year it has grown to 56 pages, with colored sketches and drawings by the students. The olive green and white cover this year was designed by a senior, Carol Lake. Mrs. Helveston feels that this year's magazine is very sophisticated and is full of individual and creative material.

Mrs. Helveston said that working with Doug Stamp, a senior, has been a pleasure. He has been editor of the Poetry Staff for two years, and has contributed some of his poems, art work, and even written a song that is in this year's **Asterisk**. He also helped layout the magazine. Because of all this, Doug received an award for outstanding achievement at the Activities Banquet on May 26.

When Mr. Leslie was asked what he thought of this year's **Asterisk**, his reply was, "The **Asterisk** has grown this year. Not only has it more pages, but also more contributors, more selections, and it is more mature in its outlook. We believe we can be justly proud of our efforts."

Wayne Johnson, Art Editor, and Mr. Jones have contributed many new ideas and beautiful colored drawings and prints, with help from Mr. Jones' art classes. When Mr. Jones was asked what he thought of this year's work on the **Asterisk**, he said, "I believe this year's **Asterisk**, our second, is a finer achievement than last year's, and I hope the succeeding issues will each develop and improve correspondingly. It is wonderful that Lowrey students have an opportunity to express their individual thoughts and feelings; and by so doing, perhaps, more fully realize what they do stand for. The acceptance and interest displayed by the entire student body has been most gratifying. I am very proud of the staff and everyone else who was involved."

Since there was such a demand for more copies of the **Asterisk** this year, some extra copies were printed. These copies will be sold in the Senior High Lobby before homeroom, and in the Cafeteria during both lunch hours. Since there is such a limited amount of copies, and such a great demand, the Literary Club urges you to get yours as soon as possible.

## Art Work Featured In City Exhibit

Lowrey Senior High was represented at the city-wide Student Art Exhibit at Henry Ford Community College, May 23-27, by eighteen of our art students. The exhibit included works by kindergartners through 12th graders included printing, painting, sculpture, pots, drawings, weaving, and jewelry. These eighteen Lowrey students contributed at least one, and as many as four, of their works to the exhibit. Debbie Billingsley, Dave Casteel, Joe Gary, Bob Greenwell, Mary Gutierrez, Linda Handzel, Russ Holland, Fred Horvath, Carol Jones, John Karolski, Mike Kichoff, Carol Lake, Ralph Maurer, Bob Miglio, Joan Miliunas, Pam Olesko, Jim Pabian, and Paul Serri all contributed to the show.

Some of these works were put up and around the downtowns bulletin board for the Lowrey students to see. They were put up to coincide with the grade school art show going on upstairs.

You will be able to see all of these art exhibits and more at the Lowrey Senior High Art exhibit which will be held on June 8, 9, and 10 in the gymnasium.

that. He has always taught commercial courses. Mr. McNamara has also taught accounting at Scoolcraft College and shorthand during the evening for the last several years at H.F.C.C.

Mr. McNamara says, "I have always enjoyed teaching here at Lowrey. I've had the opportunity to work with many wonderful people, among the student body and faculty."

### Mr. Martin

Leaving Lowrey is Mr. James Martin, member of the science department. Mr. Martin is transferring to Fordson High School.

### Miss Moore

Miss Moore, counselor to the junior high is transferring to Clare Bryant Junior High School after having spent fifteen years on the Lowrey staff.

Miss Moore expressed her high regard for Lowrey School and said

## Mr. Boatwright Talks To Seniors

Looking back on three years at Lowrey brings out many and varied reactions in all of us. We have had good days and bad - successes and failures. Growth and change have characterized the senior class both as individuals and as a group. We can, each of us, pick out numerous single events which together make up a high school career. However, the measure of a high school experience is not exactly the sum of these. It is rather something more, hard to describe, but clear to all of us who have had the pleasure of watching the class of 1966 grow and become graduating seniors.

Best wishes to all in the years ahead.

James W. Boatwright

## 2 Lowrey Students Win \$100 Bonds

Richard Ish and Per Holthe, two of Lowrey's Seniors, recently won a \$100 bond for art works.

Ricky placed first in the Thunderbird Styling Contest. He did the interior rendering of a car. Mr. Jones was the one who encouraged Ricky to enter.

When asked what he thought about winning he replied "I was surprised to find out that I had won first place." His thanks go out to Mr. Jones.

Per won \$100 when he did the cover of Wards Automotive Quarterly Magazine. Everyone in the art department submitted something and Per won. When we asked Per to comment he thought a moment and said, "I thought it was neat. I would like to thank Mr. Jones for his encouragement and the great help he has given to me."

We would all like to congratulate these boys on the fine job they have done.

## FTA News

The Future Teachers Club recently elected their officers for the coming school year. They are:

Sheryl Ollie ..... President  
Roberta Slovinski ..... Vice-president  
Chris Kilyanek ..... Secretary  
Debbie Fountaine ..... Treasurer  
Congratulations, girls!

Our Future Teachers have been very busy during the past couple of months. They have held sight-seeing trips to Eastern Michigan and Central Michigan Universities. They have also attended their annual banquet which was held at Smnyak's Restaurant.

although in transferring she will get a new perspective, she will find it hard to leave the many students, parents and people she has had the pleasure of associating with through her years at Lowrey.

# Spotlight On Coaching

This issue of the Lowrey Light will feature the field of an athletic coach.

## DUTIES

The duty of a coach is to coach team or individual sports. He may specialize in one sport or one aspect of a sport. He must also plan and organize practice sessions and strategy. He may teach physical education, health, and academic subjects. He may make business arrangements and give press interviews.

## WHERE THEY ARE EMPLOYED

Athletic coaches are employed by high schools, colleges, professional teams, and by athletic clubs and associations. They are employed in rural as well as urban areas throughout the U.S.

## THE NUMBER OF WORKERS

Statistics in 1963 showed that there were approximately 77,000 sports instructors and officials. Nearly one third of this figure represent women.

## EDUCATION AND TRAINING

To enter this field, a college degree with credits in education and physical education are needed. A graduate degree is helpful for college coaches.

## SPECIAL QUALIFICATIONS

Some special qualifications for this field are leadership ability, good judgment, fairness, physical stamina, and good character. It is also desirable to have a love of sports and expert knowledge of rules and strategies. In addition to this, you must have a teacher's certificate.

## WAYS TO ENTER THE FIELD

You may enter this field through a college placement bureau or through a personal recommendation. You may also start as an assistant coach of a college team, as a teacher-coach or as a physical education instructor in high school.

## CHANCE OF ADVANCEMENT

You can move up from assistant to head coach. You can get a college coaching job, become an athletic director, a school administrator, or a camp director.

## EARNINGS

The earnings for coaches are \$4500 to \$20,000 for high school and college coaches, with the latter earning more on the average. Professional coaches may earn \$50,000 per year.

## SUPPLY AND DEMAND

The demand for qualified men and women is increasing. The competition is brisk for men's coaching jobs in top colleges and high schools.

## YOUR TWO CENTS

Question: What are your plans after graduation?

**Donna Abell, 12A-1:** Going to Detroit Business Institute.

**Russ Holland, 12A-6:** I'm going to Eastern or Henry Ford.

**Diane Nietubicz, 12A-9:** I'm going to work for an engineer and then go to school the year after.

**Bonnie Boike, 12A-2:** I'm going to get an office job or go to modeling school.

**James Rattray, 12A-10:** I'm going to work full-time because I want to live in a hotel by myself.

**George Reed, 12-10:** Maybe I'll still play in my band, or start working in an industrial plant.

**Janet Stewart, 12A-12:** I'm going to Western Michigan University to study home economics.

**Mike Pancoast, 12A-10:** I'll probably join the service.

**Margaret McKee, 12A-8:** I'm going to J.C.

**Lillian Brozowski, 12A-2:** Work, what else!!!

**Toni Julian, 12A-6:** I'm going to be a beautician.

**Lana Presley, 12-10:** I'm going to Michigan State University to major

in nursing.

**Jerry Dover, 12-3:** I plan to make a career in the Air Force.

**Richard Abbate, 12A-1:** My plans are not certain yet!

**Marsha Brisbin, 12L-1:** I'm going to Eastern Michigan University in the fall—taking up physical therapy.

**Shirley Lewandowski, 12A-7:** At first I want to take a vacation. Then I plan to start a new job.

**Linda Urban, 12A-12:** First, I'm going on vacation, then I'm planning on going to Eastern Michigan University.

**Kathleen Wheeler, 12A-13:** Go to work and go on vacation.

**Sherry Arbore, 12A-1:** I plan to have about a two-week vacation, then go to work.

**Carolyn Smith, 12A-12:** I plan to have a vacation for a few weeks. Then go to nursing school.

**Phyllis Lahr, 12A-7:** I plan to go to work as soon as I get a job.

**Marge Kalis, 12A-6:** I plan to go on vacation for a month, then work at Ford's and go to college in the fall.

**Judy Clark, 12A-3:** I plan on going to South Carolina for two and one-

# Radio And Electronic Work Fun For Two Senior Boys

If you went to any of the school plays within the past three years, I am sure you have noticed the excellent stage lighting. This was done by two senior boys, Jim Masterson and Randy Merrow. Since their first play both boys have gone up in the field of Radio and Electronics. Both Jim and Randy work at WGPR Radio Station, which is located in Downtown Detroit, and both are rising up to big and better positions.

Jim started as a studio engineer, and now he has his own radio show. He is on every Saturday morning from 8:00 a.m. to 11 a.m. His show is located in the picture window at the Atlas Furniture Company on Gratiot. Jim said that it was fun watching all the people go by honking their horns.

Jim talks to the listeners and plays the records while Randy stays at the station keeping track of the commercials that they have to play. This is a very difficult job because he has to time everything perfectly. As a control room engineer he is in charge of the tapes and commercials. Randy is known for his excellent timing, and is considered one of the best engineers that WGPR has.

Jim plans on going to H.F.C.C., and work part time while Randy plans on going right into the field after graduation. He also plans on doing radio and electronic work in the service.

## Help!!

The Detroit Chapter of the High School Red Cross is asking for a great deal of help in the way of summer volunteers at Veterans Administration Hospital, Southfield at Outer Drive, according to Heather Clark, Lowrey graduate.

Volunteers are needed to help in hard work, admitting, central supply and the library.

A short training course is required of all volunteers. Volunteers schedule their own hours and days. You must be at least sixteen to participate. If interested, call the Red Cross Dearborn Office, South Telegraph between Oxford and Michigan, for an interview appointment.

## Busy Saturday For Latin Club Convention...

Mrs. Koehler's Latin class attended the Junior Classical League Convention in Ann Arbor on Saturday, May 14.

The group met in Hill auditorium. Many carried Roman Standards to designate which town they came from.

Lowrey was represented at the convention by, Cathy Andrusiak, Marie Keleman, Wendy Pearce and Jan Wissmuller, guests of Cindy Kea and Latin Club sponsor Mrs. Koehler.

The convention's main speaker was Dr. Lynn Poole, newly appointed vice-president of projects at the Johns Hopkins University.

## Then A Banquet

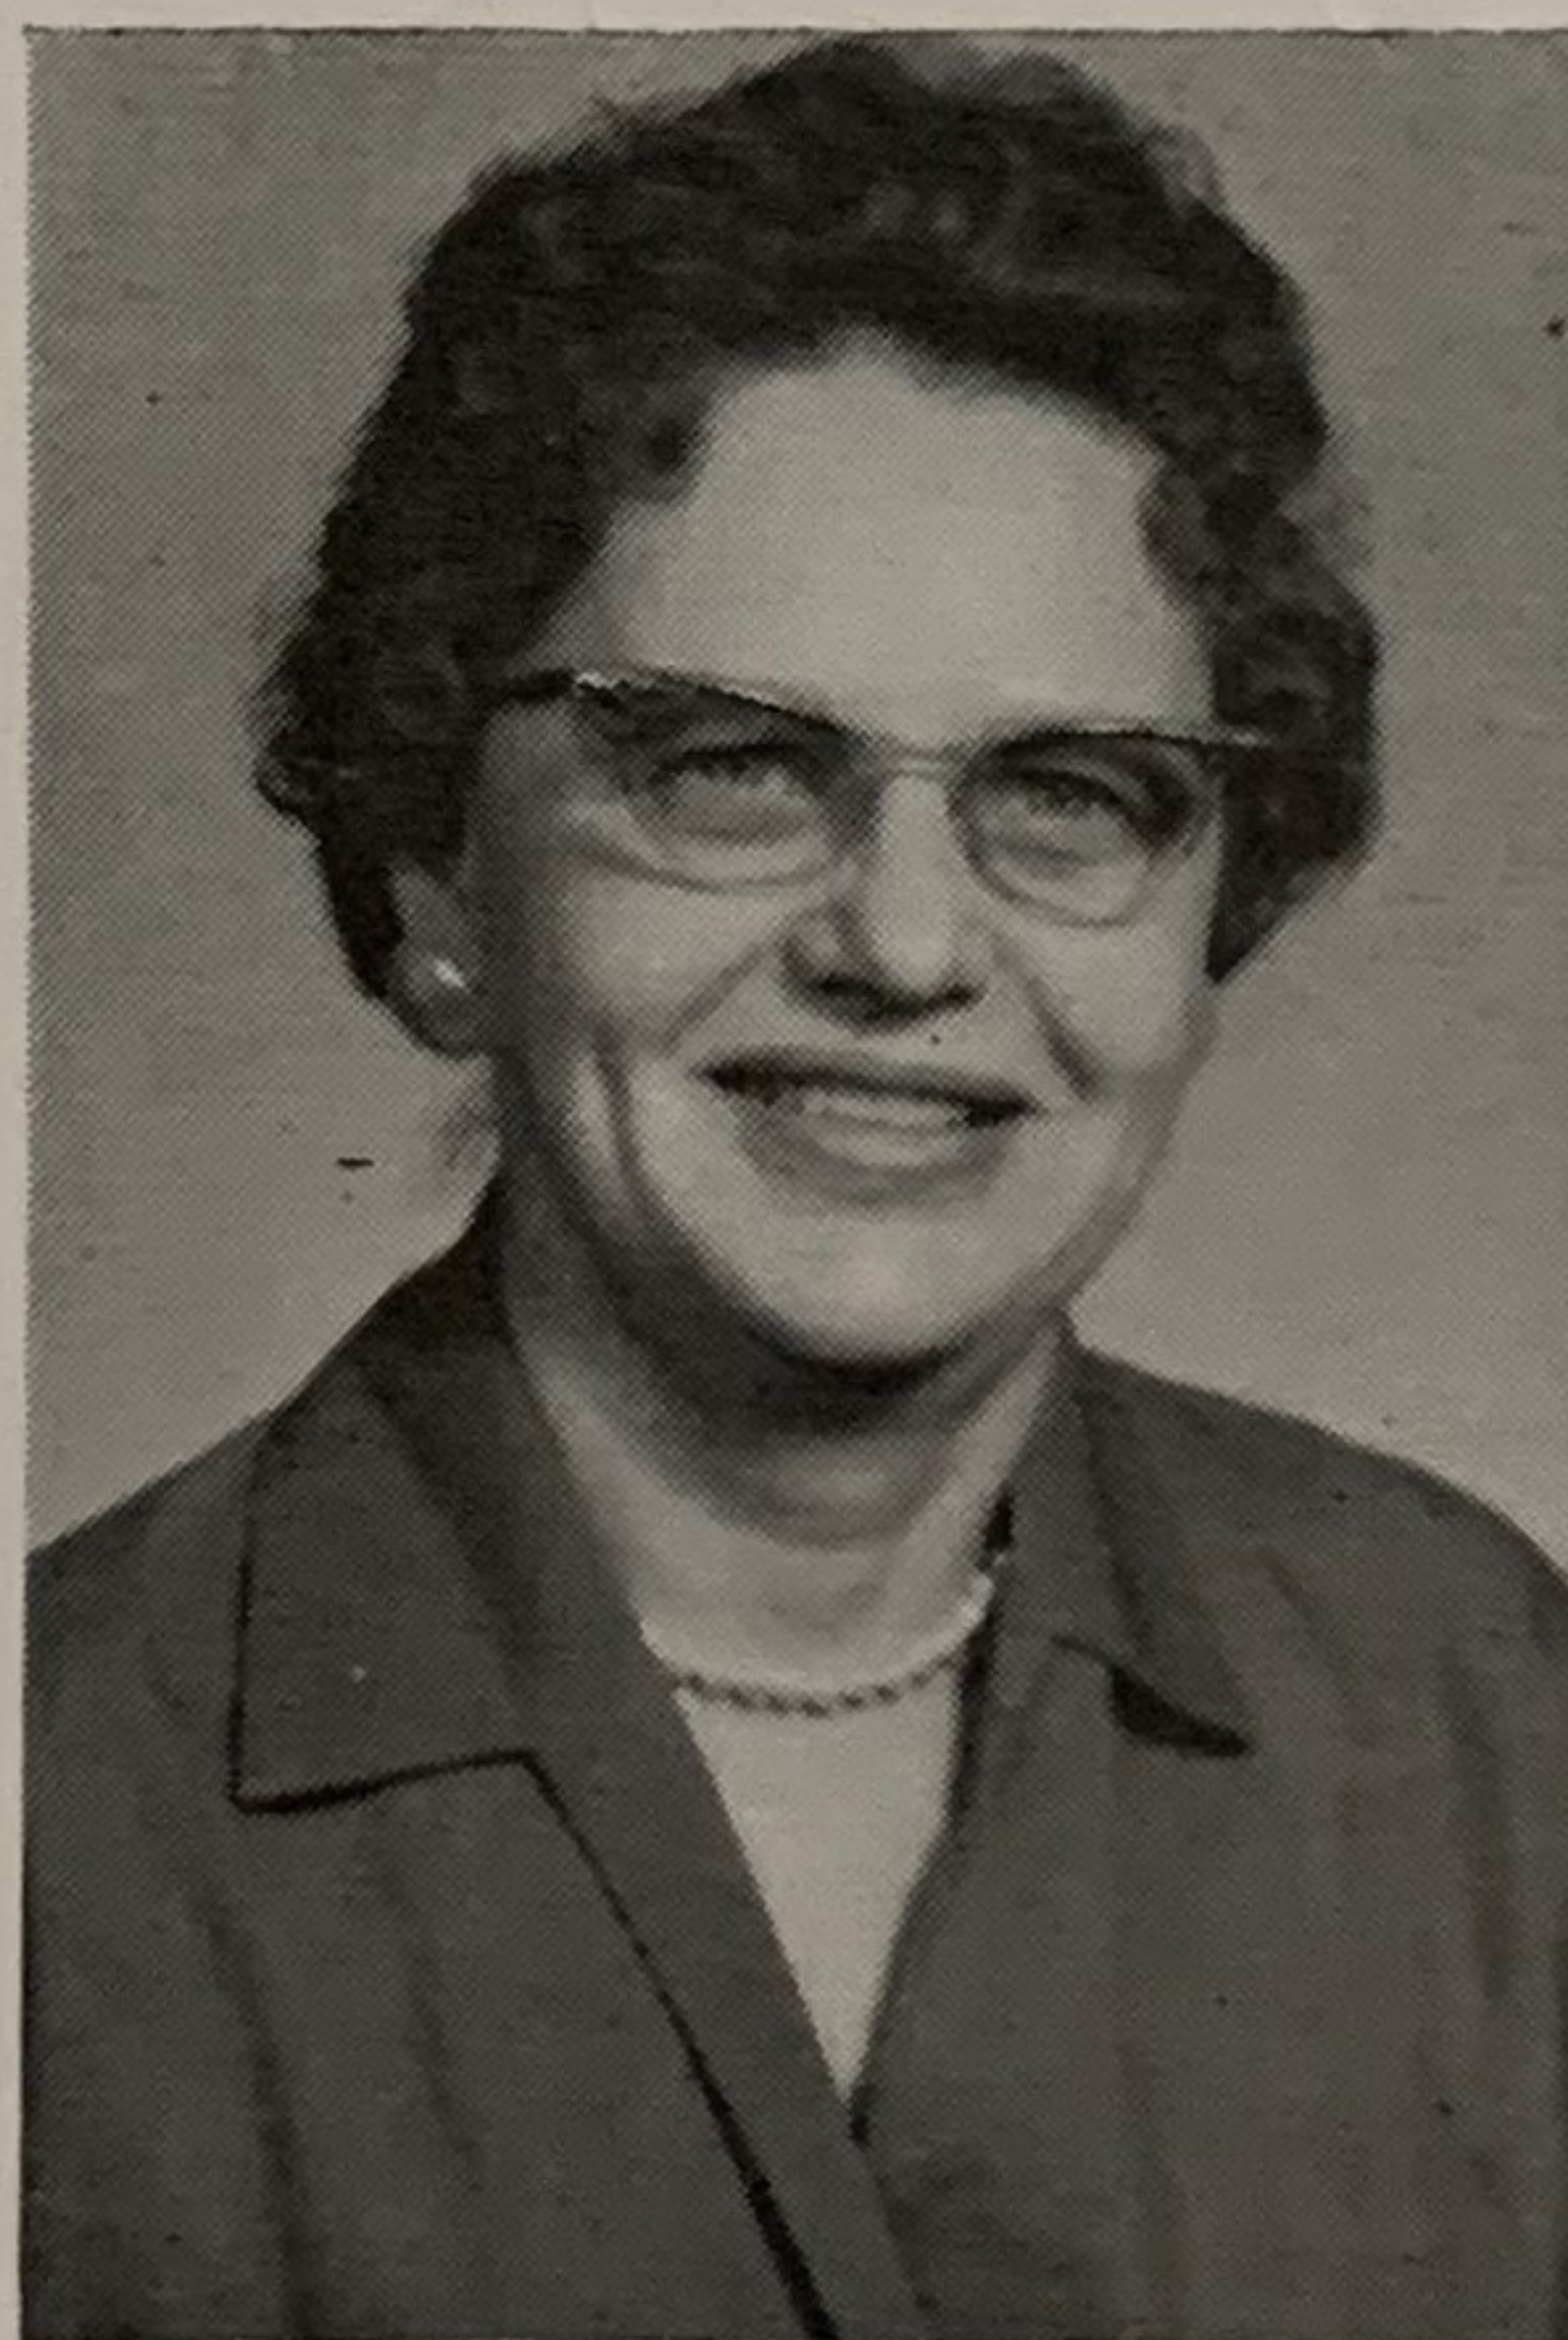

The annual Latin Club Banquet was held at Jan Wissmuller's house Saturday, May 14. Those attending were Sheryl Harrison, Bob Holbird, Cindy Kea, Marie Keleman, Linda Nagle, Wendy Pearce, Dennis Psyz host Jan Wissmuller, and sponsor Mrs. Koehler. Guests were Cathy Andrusiak, Dan Hines, and Renee Vadnais.

A delicious seven course meal was served, and the guests were waited on by the "slaves," which included ninth graders Madelyn Kleitsch, Chris Kohl, Sherry Steele, Paula Studders, Mary Toth, and Viki Trasino. The annual slaves auction was the highlight of the evening.

Such a good time was had by all that many wished the banquet was a monthly affair rather than a yearly one.

**Mike Hanusik, 12A-5:** I'm getting a summer job, and I'm attending J.C. in the fall.

**Carol Grendysa, 12A-5:** I hope to attend college.

Mrs. Koehler

half weeks, then I'm going to get married and return to my old job.

**Connie Doughman, 12A-3:** I plan to go to Detroit Business Institute.

**Clint Putman, 12A-10:** I'm going to J.C.

**Norm Simmons, 12-11:** I'm going to Florida with Rickl Bean for the summer.

**Sandy Powers, 12A-10:** I'm going back down south.

**Earl Wirick, 12A-13:** I plan to attend college.

# Thinclads 3rd In League Meet

## Bears Stomp Sabers

Steve Gerych picked up his second victory of the year as Lowrey out-slugged Southgate 13-8 on May 4th at Hemlock Park.

In the first inning the Sabers scored on a single, passed ball and another single.

Lowrey promptly tied the score without a hit in their half of the first. Mike Jacek and John Flanigan walked. Then Jacek went to third on a wild pitch and scored on a throwing error by the catcher.

Southgate was held scoreless in the second inning. Lowrey rallied for four runs as Steve Davis drove in three with a home run.

In the third inning, the Sabers rampaged back with five runs to take a 6-5 lead.

In the Polar Bear's third inning, thirteen batters went to the plate. Eight of them scored. Flanigan opened with a walk and Gary Malyszczek hit a drive to left which the left fielder misjudged. It fell in for a three base error. Gerych followed with a run scoring single and Bill Branton sacrificed him to second. After Bob Fox struck out, Rick Shaw singled to drive in Gerych. Joe Marchetti followed with a double to score Shaw. Then Davis tripled to drive in Marchetti. Jacek and Flanigan walked to load the bases. Gary Malyszczek singled to drive in Davis and Jacek. Then Gerych stroked his second single of the inning to drive Flanigan in. Branton grounded out to end the inning. The Bears led 13-6.

In the fifth, Southgate scored their last two runs on two singles, a hit batsman, and a two base error.

Lowrey's league record is now 3-1.

## Bears Edge Sabers

Lowrey picked up its sixth victory of the season on May 23 by defeating Southgate 3-1 at Southgate.

The Bears opened the scoring in third on a triple by John Flanigan and a single by Rick Shaw.

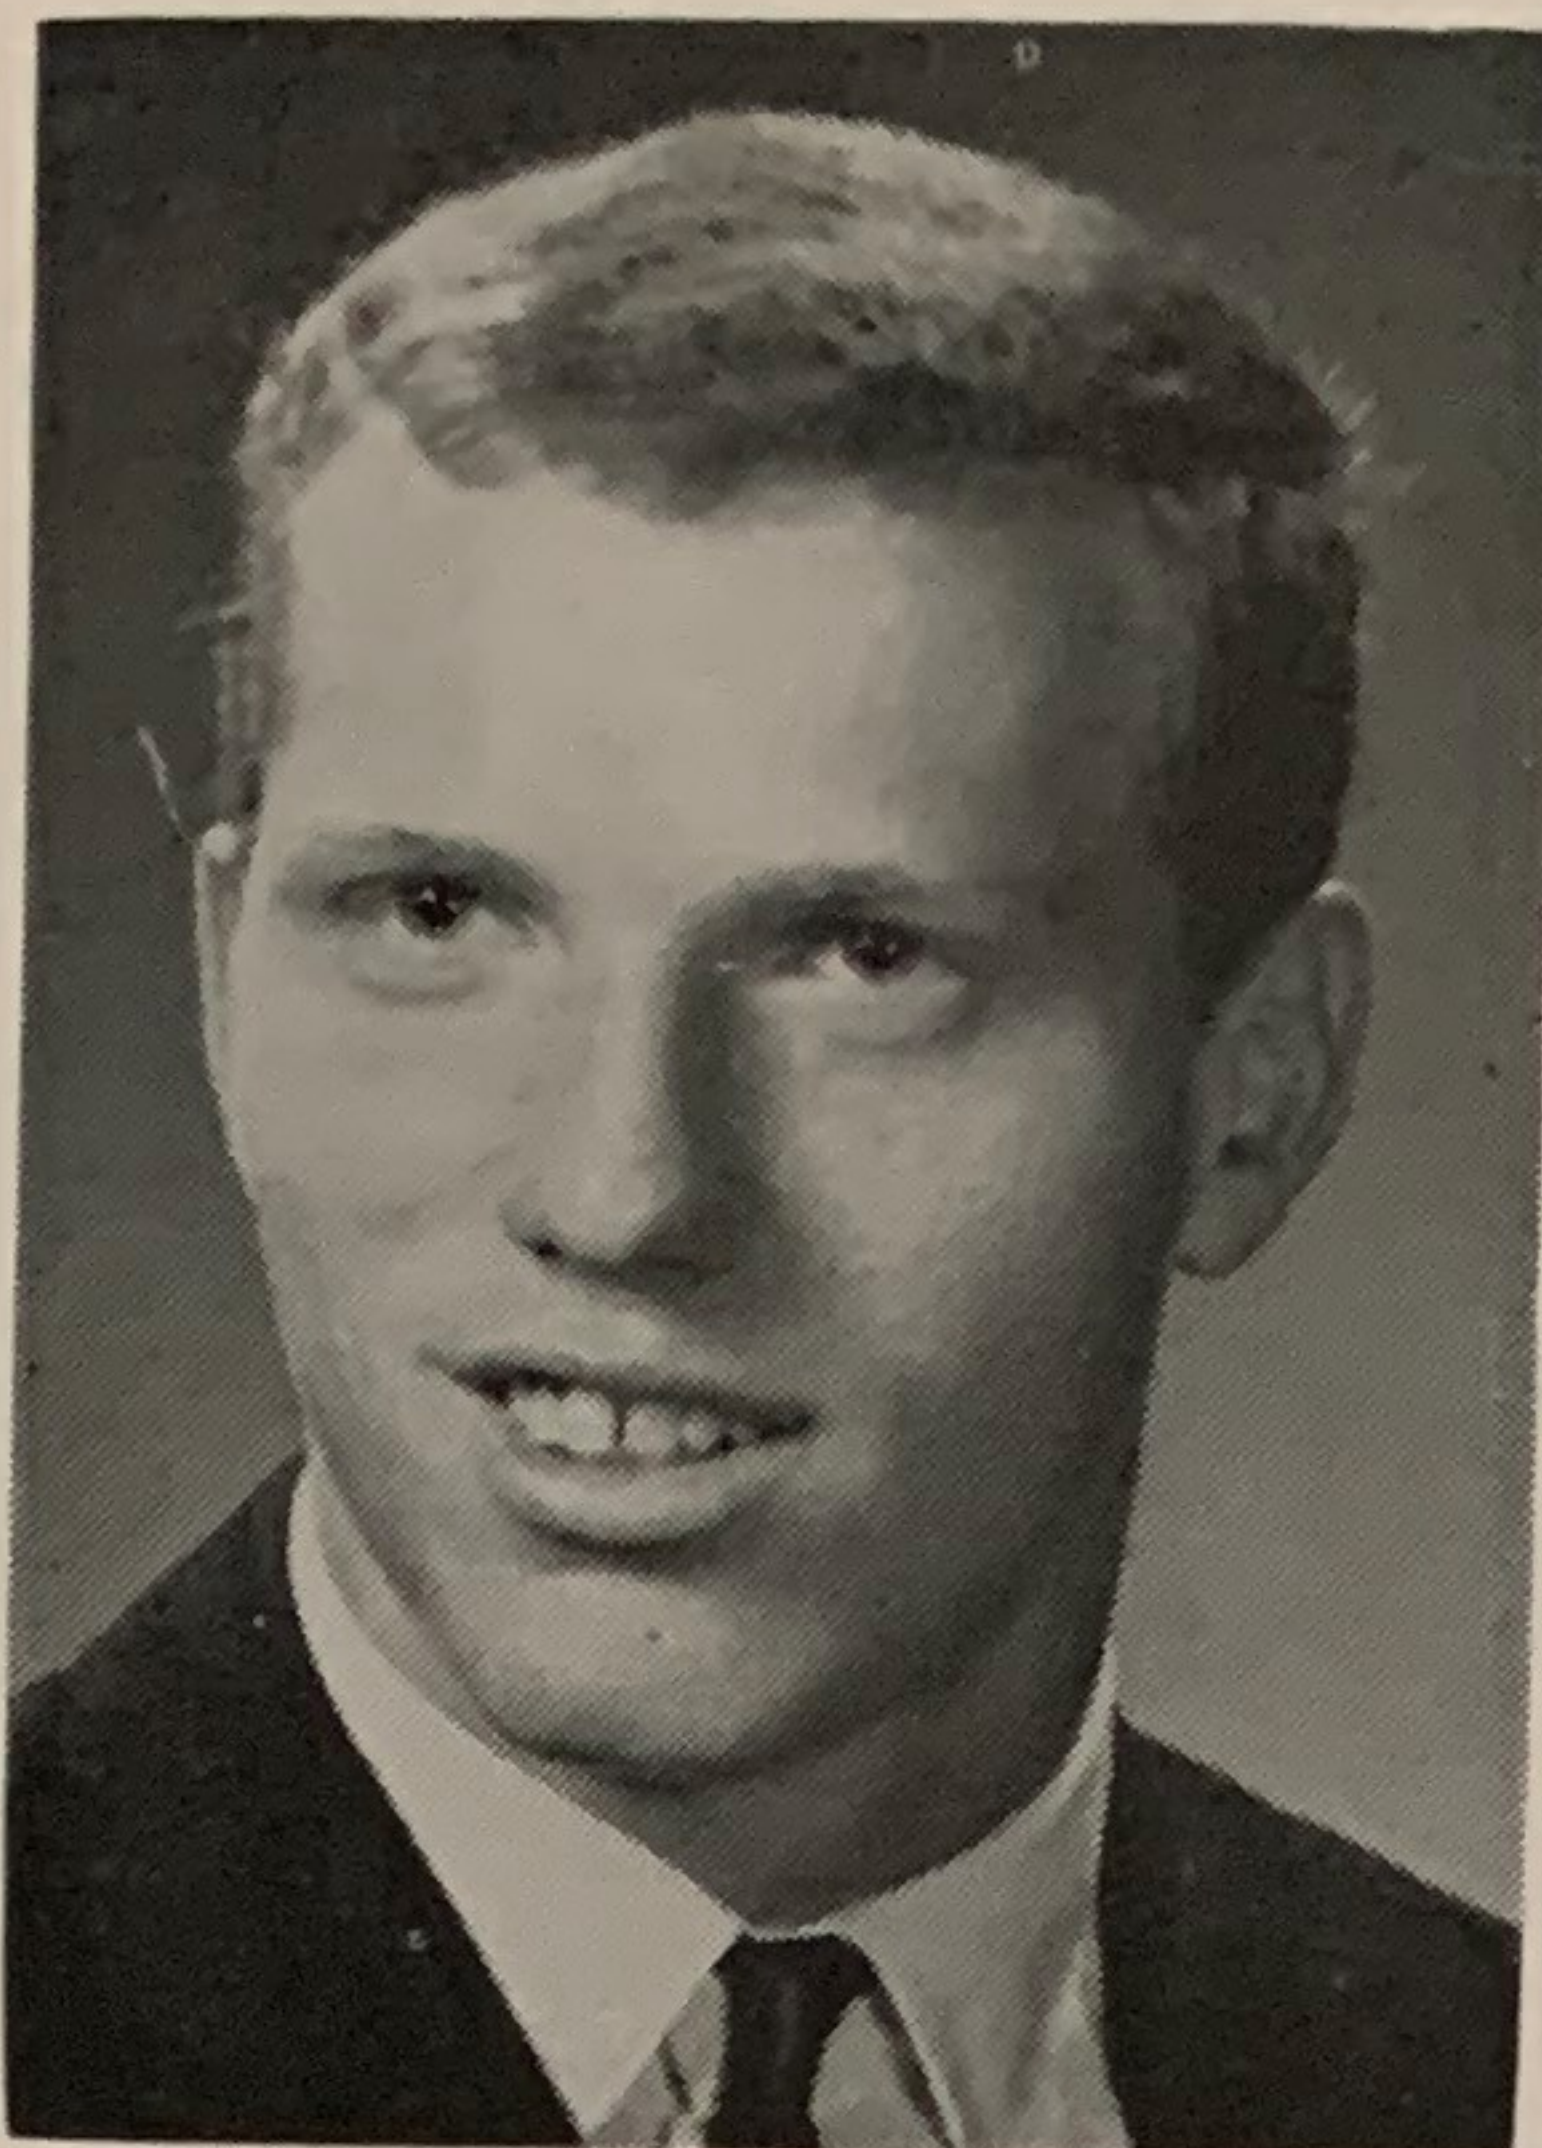

Lowrey added two more runs in the sixth on singles by Shaw and Steve Gerych. Gary Malyszczek singled to knock in Shaw and Moe Miller walked to drive in another run.

Southgate added one futile run in the last inning on two singles and a walk.

## Mr. Rigotti Writes

The graduation of the 1966 seniors means the loss of one of the most interesting and active Senior Classes that Lowrey High has seen.

I can only hope that the Lowrey tradition of school spirit and initiative demonstrated so well by them is carried to even greater heights by the future Seniors.

Bill Holbird

## Bears Rally Beat Schafer

It took five innings and an injured first baseman before Lowrey defeated Schafer 7-5 on May 16. It was an important game. The victor would be the sole possessor of second place.

In the first inning Mike Jacek lead off with a single, but two fielder's choices and a strike-out ended Lowrey's inning.

Schafer's first inning was quite different. The first two hitters singled. The next batter tripled to drive in two runs. Another single and an error resulted in two more runs.

In the third inning a single, passed ball, and a wild pitch scored another run for Schafer. At the end of three innings the Vikings were ahead 5-0.

In the bottom of the fourth, Rick Shaw, Lowrey's first baseman, was injured on a play at first base. This seemed to bring the Bear players to life. In Lowrey's fifth, Bob Fox tripled. It was his first hit of the year. Mick Malyszczek singled and Jacek walked. The third baseman errored a grounder by John Marchetti. John Flanigan was safe on an error by the shortstop and Moe Miller hit a sacrifice fly. Steve Gerych followed with a single. Bill Branton grounded out to the pitcher. Then Steve Davis was safe on another error by the third baseman. Bob Fox ended the inning by grounding to second. When the inning was over, The Bears were ahead 6-5.

Lowrey added one more in the seventh with three singles.

Steve Gerych picked up the win, his fourth against no defeats.

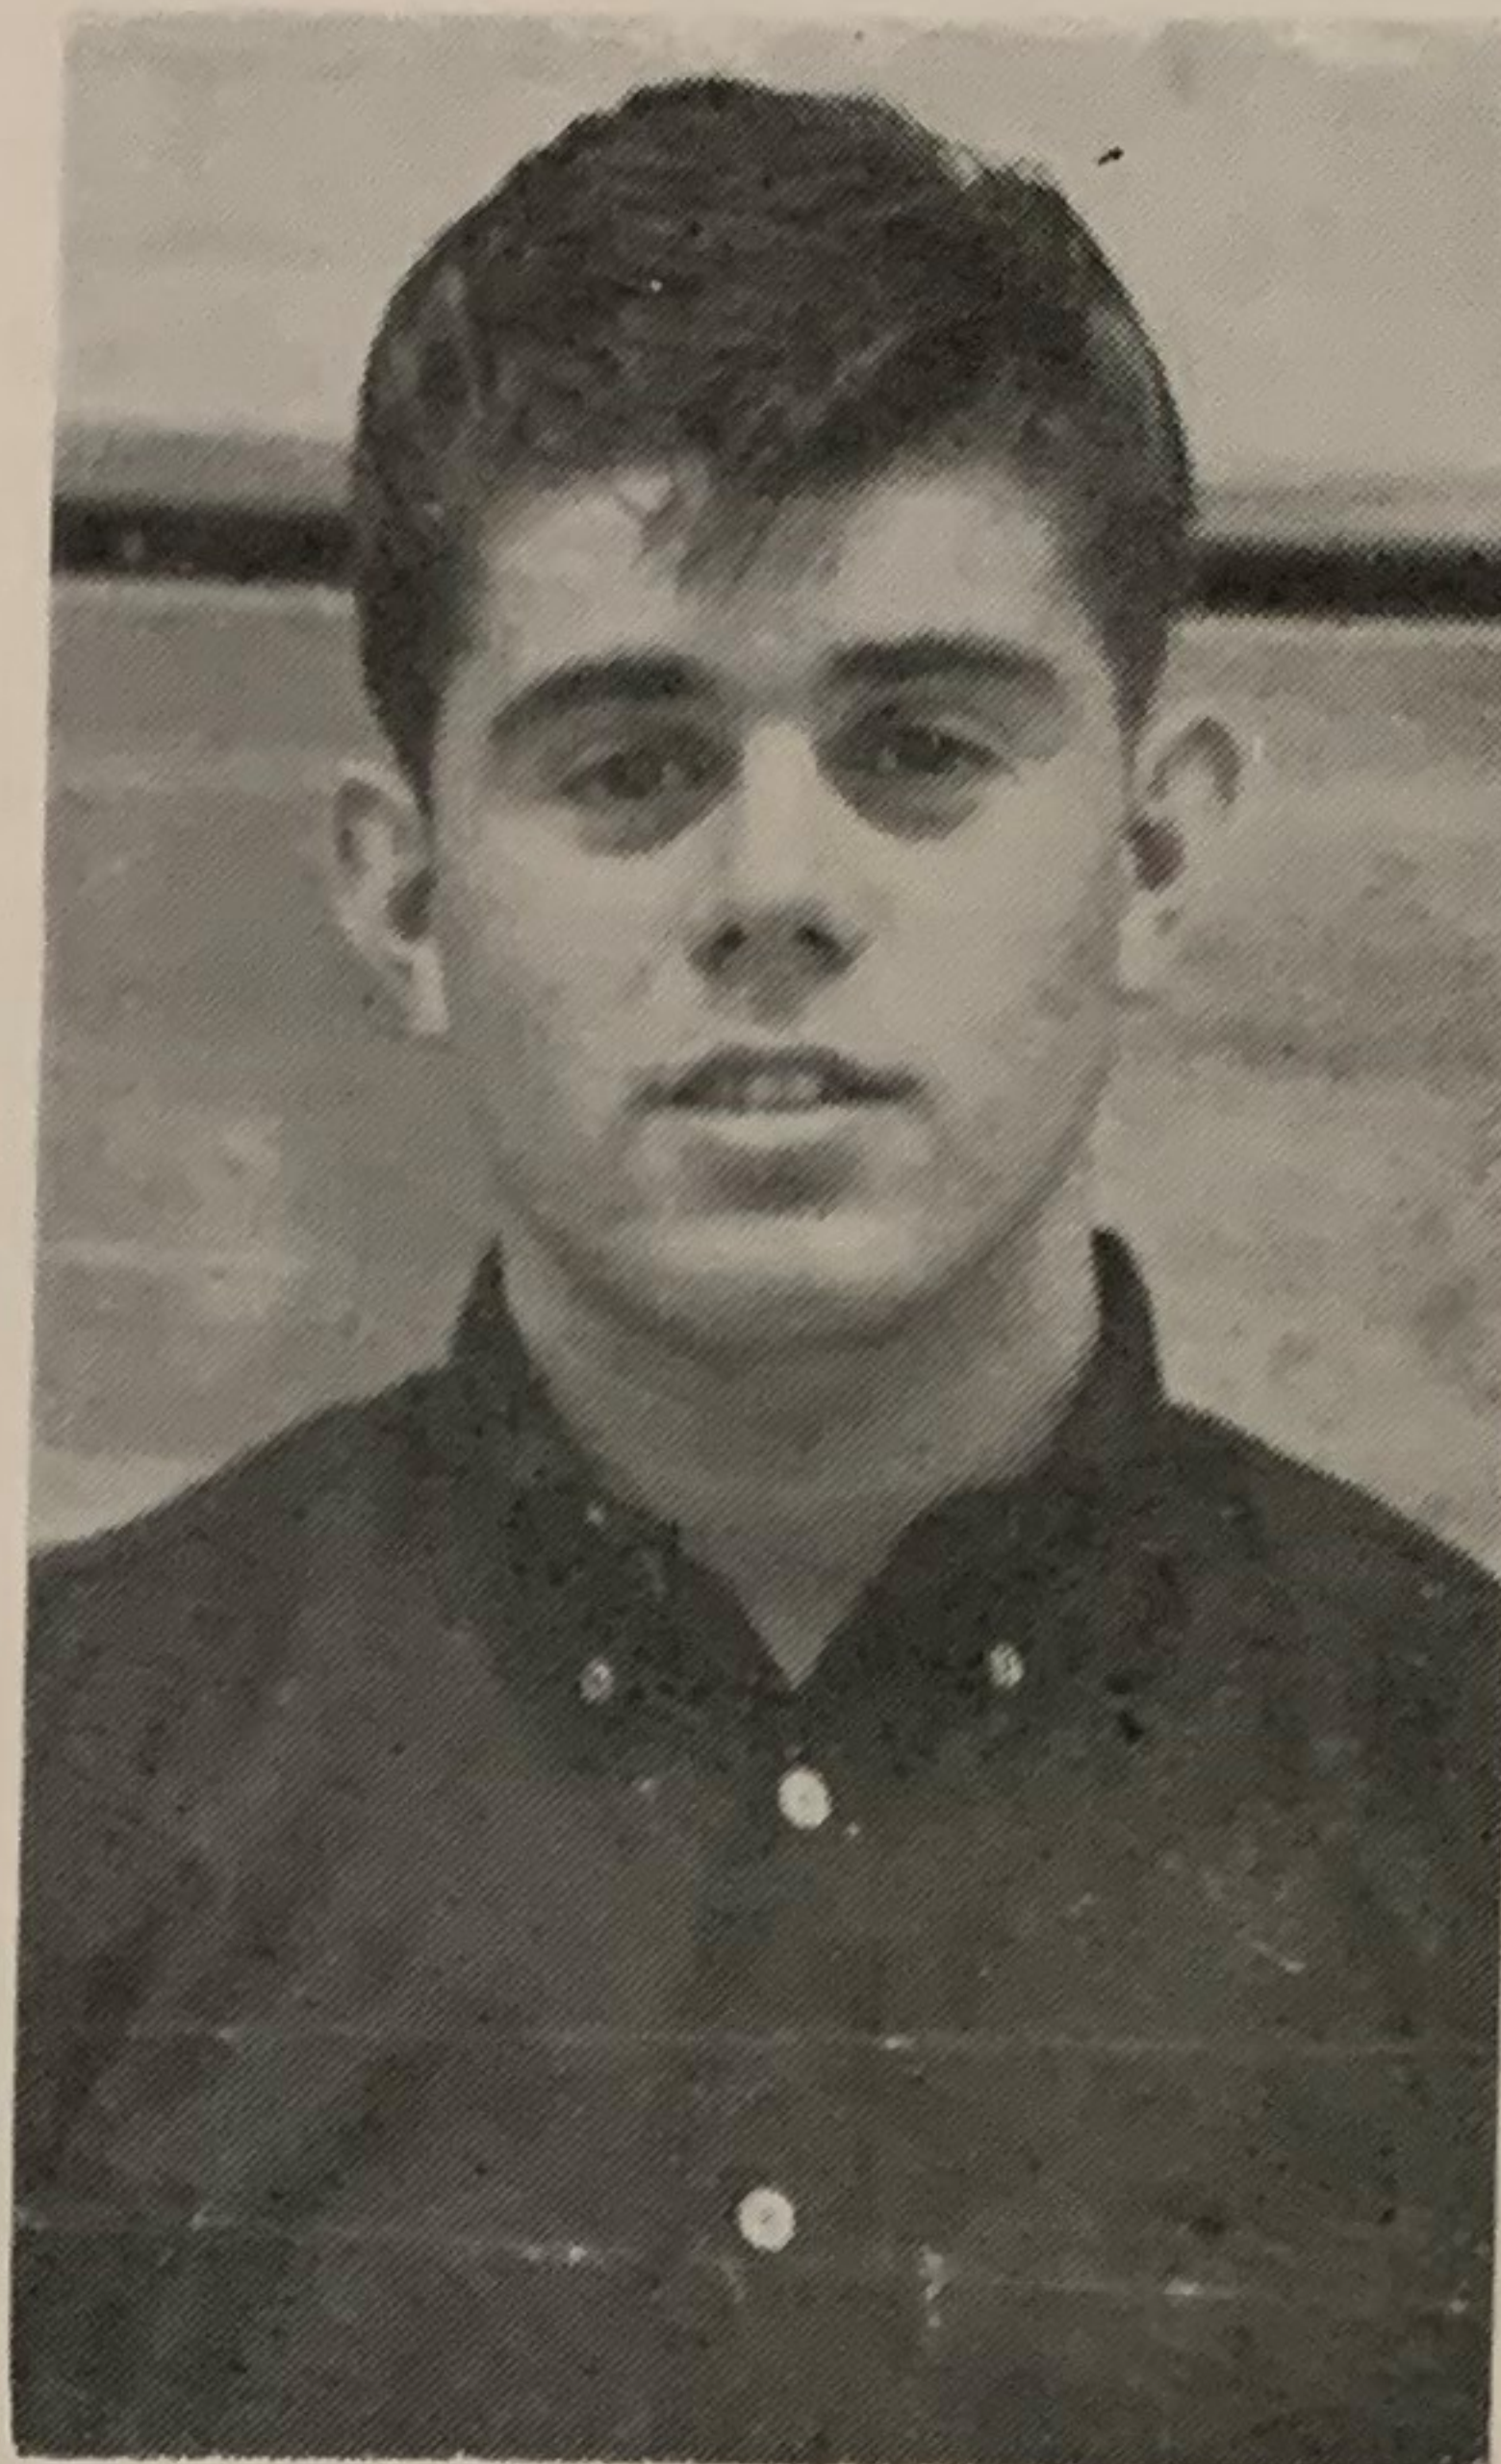

It has been a great pleasure working with you these three years. Take care, good luck, and God's speed.

E.K. Rigotti

## Hackers Cop First

It took more than two months and ten matches, but the Lowrey golfers finally notched their first victory of the year against nine defeats. The hackers edged Schafer 199-201 on May 24.

Roger Tousignant lead the Bears and set the school record with a 42. Bob Gendron pitched in also, coming up with a fine 47. Steve Post and Gary O'Gorman followed with a 50 and 60 respectively. The shot of the game was pulled off by Roger Tousignant when he two stroked the hard par 3 fifteenth hole.

Richard Mitchell

## Lowrey Drops Third

Who says history doesn't repeat itself? Kennedy defeated Lowrey 4-3 for the second time this season and all but eliminated the Bears from the championship race.

Both pitchers fired strong ball for four innings as Steve Gerych gave up one hit. Then in the top of the fifth, Kennedy erupted for three runs on a hit batsman, a walk, a double, and a single.

The Bears came back with one run on a single by Steve Davis and a double by Bob Fox.

Gerych put the Eagles down in the sixth and seventh without giving up any hits.

Lowrey had their last chance in the seventh. Gary Malyszczek tripled and Gene Ellefson was hit by a pitch. Then, Rick Shaw popped to the shortstop. Steve Davis walked to load the bases. Fox singled to drive in two runs. The score was tied 3-3 after seven innings of play.

In the first extra inning, neither team scored.

In the ninth, Kennedy scored on an error and a single.

The Bears were retired without making a single hit.

Well, it was the annual Tri-River League track meet held at Schafer High on Wednesday, May 25 and our Harriers took a third place following a surprising Crestwood team. In the fine meet, Lowrey took three firsts but finished third by 8 points. Here are the results of the 8 Tri-River League teams that competed:

1st place	Southgate
2nd place	Crestwood
3rd place	Lowrey
4th place	Riverside
5th place	Kennedy
6th place	Schafer
7th place	G. C. West
8th place	Cherry Hill

The results for Lowrey were as follows:

**880 Relay 1:35-3rd place	Aitken, Holbird, Gabrys, Ordus
Mile-3rd place	Jerry Mathias
High Hurdles	*Gabrys-1st 15.3
Mertz	
440 yard dash	Holbird-4th 52.2
	Zuk-5th 52.4
100 yard dash	Ordus-5th 10.5
Low Hurdles	*Gabrys-1st 20.3
	Mertz-6th
220 yard dash	Ordus-5th 23.4
Shot put	*Mitchell-1st 54'5 1/2"
	Bogataj-3rd 46'9"
Pole vault	Rentschler-6th 10'6"
	*New school and league records
	*New school record

Ed Gabrys did a fine job in setting league records in both the high and low hurdles and ran on the record setting 880 relay team. Rich Mitchell also was superior in setting a new school and league record in the shot put by 8 feet. Several other boys had their best times and with a break or two our Harriers could have placed second.

Coach Weller's only comment after this, the last meet of the season, was, "A great bunch of fellows to be associated with. I'm proud of everyone of them."

## Athletes Honored

The Annual Lowrey Activity Banquet for 1966 was held on May 26 in the Lowrey cafeteria. There were several awards given for the outstanding player of each sport. Each of the following eight boys received a trophy for outstanding achievements in sports here at Lowrey:

Track:	Bill Holbird
Cross-country:	Jerry Mathias
Baseball:	Steve Gerych
Tennis:	Ed Riley
Swimming:	Rick McPhee
Football:	Ray Gierucki
Basketball:	Bob Fox, Moe Miller

Since this is the first year golf has been here at Lowrey, there was not a MVP.
