

Bits n' Pieces

by Donna Oakley
Pam Peterson

There is a Sophomore candy sale scheduled for the very near future.

Spring days brought the annual class elections on May 12.

Talent pours out on May 16 during the 7th hour when a talent show is planned for all students.

The senior class met on May 3 to discuss plans for their prom, graduation, all-night party, and Camp Dearborn.

Diane McFarlane wishes to extend her appreciation to the senior class for their expressed sympathy.

All classes are excited about the planned "Ugly Man" contest which will be used to raise money for the yearbook.

There will be no school on May 29 and 30 because of Memorial Day.

Jr. and Sr. High bands will be in the Memorial Day Parade.

The Senior prom is less than a month away and the excitement is mounting. Don't forget to make your arrangements soon.

The Activities Banquet is planned for May 24. All students who have contributed their time and efforts to the school are cordially invited.

An example of the senior spirit was displayed on National Secretary Day when the class president gave Jerry Lee Chalma, senior secretary, a box of candy on behalf of the class.

Movin' Music At Vocal Concert

Mr. Brickel and Mr. Salowich will get together again tonight to create another stupendous production. The reason for their combining talents as director and conductor is because it's spring. The music department is so happy it just wants to sing. To put on a really unique show the added efforts of the drama department were needed.

This is the first time a spring concert will be given in the Lowrey Little Theater. The chorus, choir, glee club, ensemble, and the Wanderers (a folk group) all agree that this is the only place quite suited to their needs and talents.

The stage is set for a casual first half of show tunes and pop songs done with costumes, special effects, and colorful scenes. By special request there are a few select numbers from "Anything Goes". Unique arranging and a lot of practice went into each special number to add a dash of sparkle and originality to each one.

A small combo will accompany the singers which will be quite different from the band or piano arrangements of the previous music concerts.

Aside from the finale and a few numbers, the long hair music and flowing choir robes are to be put aside to make way for the "In" music. This is spring; a time to get out, be free, find new adventure, and get some "a-live" music in your souls.

Tickets are on sale at the door for \$.50 with an activity ticket and \$.75 without. The show begins at 8:00 p.m.

Everyone is invited to spend a toe-tappin', fun-filled, soul-searchin', movin', evening with their friends as these Lowrey students plan to put that old "Music In Motion" for you.

For Better
Sportsmanship

May 12, 1967

More News On Staff "Phase Out"

Mr. Roe and Mr. Leslie, are also among the teachers who are leaving because of the "Phase-Out". The following are interviews with them

Mr. Roe, economic and world history teacher, will be transferred to Dearborn High this fall. When asked how he felt about leaving he said, "The only reason I'm going is that I'd rather go while there's a position available. By going now I have some choice, but if I waited after the phase-out I wouldn't have that choice." At the present time, Mr. Roe does not know which subject he will be teaching at Dearborn but stated that he would like to rotate and teach different subjects.

Mr. Roe started teaching 26 years ago at the old Dearborn High School in the West end of town. After serving in the Navy during World War II he resumed his teaching career at Lowrey where he has now been for 20 years. For the past three years here Mr. Roe has taught economics and world history. In the past he taught American History, geography and government.

He received his Bachelor of Arts Degree from Western Michigan University. He earned his majoring in Social Sciences, Masters Degree at the University of Michigan

When asked how he felt about Lowrey, Mr. Roe replied, "The faculty and student body are very friendly. When I first came to Lowrey," (continued on p.2)

Vol. 33, No. 17

Appointment To Annapolis Announced By Bruce Borum

Bruce Borum

Bruce Borum, 12-2, was recently awarded with one of the highest honors that any senior boy could possibly receive. He was appointed to the U. S. Naval Academy at Annapolis, Maryland.

After two years of tests, physical examination, and a nomination by Congressman Ford, and then being put in front of the Academy Board, Bruce received a telegram from Congressman Ford on April 26th which read as follows: "Congratulations. I received notice from the U.S. Naval Academy you have been accepted for class of 1971 beginning July 3, 1967. Will be in communication soon. Sincerely, William D. Ford 15th Dist."

Bruce has yet to receive his orders from the Academy which will direct him to report for duty on July 3rd, a day before his birthday.

"I guess I've always been interested in the Navy," was Bruce's reply when asked how he became interested in the Naval Academy. Before Bruce was nominated to the Academy by Congressman Ford, he had to take two Civil Service Tests, and physical examinations at Selfridge Air Force Base. After he found out about his nomination in December of 1966, Bruce had to take a SAT test for the Academy and undergo many more physical examinations at Grosse Ile.

Approximately 5000 boys between the ages of 17-21 are nominated each year and only 1100 are chosen. In the 15th Congressional District there were only three openings this year.

Bruce remarked that good grades mean a lot but the board also looks at the extra curricular activities that the boy has been in.

Student Council At Conference

Twelve eager Lowrey students represented our student body at a conference at Oakland University in mid-Michigan on April 27. The main topic of discussion was "Student Leadership."

The representatives were chosen from the student council by Jerry Harrington, council president and Mr. Beesley, council advisor, both of whom accompanied them on their trip. The senior members of the group were: Blake Austin, 12-1, Kathy Fauer, 12-4, Johanna Milunias, 12-8, and Donna Oakley, 12-9. Under class representatives were: Laura Dunaitis, 11-2, Ann Kurzyniec, 11-5, Duane Mickey, 11-6, Dave Painter, 11-8, and Carol Sparling, 11-9; and two sophomores: Karen Festian, 10-4, and Bob James, 10-6.

Edsel Ford, Fordson, and Lowrey went by chartered bus to meet the nineteen other high schools at the meeting.

The most memorable part of the busy day was the closing address given by Lt. Governor, William Miliken. The assembly of students were so stirred by the speech, they gave him a spontaneous standing ovation.

Band Plans Spring Concert

Lowrey's school band will present a "Spring Concert" on May 18th. This year, for the first time, the concert will take place in the Lowrey Ballroom at 7:30.

One of the highlights of the concert will be Daneen Csicsila, 11-2, and Frank Queen, 12-9, who will perform a modern dance routine.

Bruce Borum, 12-2, will do a trumpet solo to "Allegre", and he will also conduct the band to "Strangers in the Night" and highlights from "Exodus" and "The Man With a Horn."

Jerry Harrington, Ray Bynum, and Bruce will play highlights from "Porgy and Bess" on their trumpets and Ray on the clarinet.

Spring marches, drum sections, and first division winners in solo competition of 1967, "Rosamunde", and "Trumpet Voluntary" will be played. In the second half of the concert, the Lowrey Majorettes will be featured.

Admission for adults is 50 cents, student tickets are 25 cents with an activity ticket, 50 cents without one.

-THE SHADOW-

The shadow in this issue of the Lowroy Light is following a junior boy. With the following clues try and guess who he is.

First hour you will find him in Miss LaMarca's English class working very hard to get his assignments done.

In Mr. Forsthoefel's history class, second hour his mind covers every subject except what it's supposed to.

Busily working in drafting is what he does third hour in Mr. Fretner's class.

Making all sorts of interesting objects is what you'll find him doing fourth hour in Mr. Barnett's woodshop class.

If you're one of the people who go out for fifth hour lunch you'll most likely see him roaming around somewhere.

Typing is where you'll find him sixth hour in Mrs. Hemker's class.

If you happen to be down around the cafeteria seventh hour you'll most likely see him in Mr. Leslie's study hall.

Do you know who our mystery man is yet? If you don't, see the answer on page 4.

Ping Pong Offers Friendly Rivalry At Lunch Time

Have you ever gone up to the gym balcony during fourth or fifth lunch hour? If you do you will see the following teachers playing ping pong. Everyday fourth hour you will find Mr. Peters, Mr. Boatin, Mr. Hipkiss and the all time champ himself Mr. Mascioli. Fifth hour you will see Mr. Malizia, Mr. O'Leary, Mr. Courtright and Mr. Beesley.

When Mr. Mascioli was asked who wins the most games during 4th hour lunch, he said, "I always win." So if you enjoy watching ping pong games stop by and watch them play sometimes.

Clothes For All Types Of Weather

This year the weather seems to be different and now there are clothes to suit the weather.

If it's warm out you can go on a picnic, play golf, go bike riding or just have fun doing nothing. For this warm type of activity there are a wide assortment of active fashions. These are clothes that move with you. For the girls there are all types of mini-clothes. Mini-everything is the answer from jackets to saucy culottes. For the guys this year there are short sleeve shirts also lightweight sweaters to wear with either casual or dress pants.

Yes, the weather can be unpredictable but your clothes can now be ready for either rain or shine.

Inquiring Reporter

The question for this week's inquiring Reporter is: "What would you do or say if you saw a U.F.O.?"

Vicki Simpson, 12A-10: I'd capture it and give it to Ronnie.

Bobbie Slivinski, 12A-10: I'd say, Hey! Look! A U.F.O. And then I'd laugh.

Janice Simon, 11A-9: Hey Ma, the relatives are coming down.

Bob Hitsman, 11A-4: I'd investigate it, then I'd go tell everyone. Dave Brill, 12A-2: I'd say, Look-There's a U.F.O. They must be making a commercial for a crispy cereal.

Pat St. Pierre, 11A-9: Granny's at it again.

Judy Wagner, 11A-10: There goes Goodyear.

Cindy Parsons, 10A-10: Catch it for Jim so we can elope in it.

Donna Johnston, 12A-6: I would get George and we'd go to his cousins' home and watch it.

Karen Sinks, 12A-10: Watch it.

Roxy Guzman, 12A-5: Run!!!

Billy Turner, 10A-13: Go grab Donna S.

Shelly Harvey, 11A-4: Come home and tell everybody and then forget about it.

Kathy Budai, 12A-2: Take it home and give it to Terry.

Diane Belcher, 11A-1: Give it to Jimmy to hang in his car.

Mr. Beesley: I'd call my bookie and place a bet on it.

Marilyn Nunn, 12A-8: Call CKLW.

Lillian Calvin, 11A-2: Watch it.

Gale Leyva, 11A-6: Just stare at it and wonder what it was.

Larry Ormsby, 11A-7: I'd tell Gary Frank.

Carol Pavelich, 10A-10: I'd ask it what it was looking for.

Butch Pedery, 10A-10: What took ya so long?

Bob Kelly, 11A-5: I'd ask it if it had any spare hair for my head.

Reva McKeel, 12A-8: I agree with Kelly cause he needs the hair.

Ken Mann, 11A-6: Help! Then I'd run.

Linda Burklow, 12A-2: Give it to Tim for his Buick, he needs it.

Donna Moody, 12A-8: Put it in Marge's hair.

Marge Burek, 12A-2: Give it to Mark to teach him how to play tennis.

Misery Is...

Dragging your prom dress in a puddle of mud.

Being a senior and not graduating Missing your final in Mrs. Hoffenbacker's class.

Eating lunch with someone who picks at their food.

Waiting for the bus in the rain. People squirting you with squirt guns during lunch.

Going to your third hour class finding your hem hangs.

Leaving your plate lunch at table coming back to find it gone.

Students Urged To Plan Now For Summer Job

Will you soon be looking for a summer job? Do you want some good advice to follow? If the answer to both of these questions is yes then this article is just for you.

Despite a slight decrease in the Detroit area economy, there is still a demand for competent people to fill vacancies in offices, stores and farms. And for the second year, a government sponsored Youth Opportunities drive will encourage businessmen to try and find openings in their companies for teenagers who are hoping to work and train during vacation.

According to the Michigan Employment Security Commission, clerical positions are most readily available. These jobs are found in every type of enterprise and net roughly \$40 to \$65 a week for beginners. Employment can be yours immediately if you can type (10 to 50 words per minute) and take shorthand. You will always find help wanted for temporary counter workers, salespeople, and hospital help in your own neighborhood.

Before looking for a job, here are a few things you should look for in yourself.

1) What are your goals? You probably want to earn money for school, clothes, a car, or hobby. You would probably enjoy the freedom of an independent income or the chance to contribute to your family's budget.

2) What are your talents? Are you good with children? With your hands? Are you a natural salesman? Or handyman

3) How many hours a day, days a week and months will you continue your job?

4) Do you want placement close to home or not?

5) Do you have a source of transportation to and from your job?

If you are under 18, you will come under the jurisdiction of Child Labor Laws which limit your selection and require you to get a work permit.

All these points should be thought over carefully, they may either help or hinder you when considering a job.

If you fail to land a paying job and would still like to be useful this summer, why not try volunteer work? You are in demand at hospitals, youth centers, playgrounds and many other community institutions. The experience may prove very valuable in the future.

If you are hired, don't be so excited that you forget to get your work permit. To obtain the permit you must have a job offer from an employer. Check with your

Government Class Visits Capital

On May 2nd the following students went to our state capital, Lansing:

Linda Bessaga	Terry Marland
Dianne Croskey	Linda Mays
Noreen Day	Moe Miller
Sebastin Deledda	Michael Noe
Gene Ellefson	Lorraine Miotke
Steve Gnewkowski	Laura Rose
Rita Gonzalas	Ron Paternoster
David Helka	Robert Sliviniski
Robert Irwin	Jim Smith
Pete Joseph	Kathy Sowders
Cindy Kea	Nancy Sterling

The following are some comments the students made about the trip:

Mike Noe, 12-A7: "I thought it was very inspiring but I thought the representative gave a bad impression for an onlooker.

While we were there a representative landed in a helicopter in front of the capital. I enjoyed going to Representative Pilch's office where he gave us some literature."

Kathy Sowders, 12-A11: "It was fun. They had real cute page boys who gave out information at the office. The senators just sat back and voted."

Nancy Sterling, 12-A11: "It was the first time I went to the Capitol. I was very surprised to see how long it can take to pass a bill. There was a great deal of controversy. I was quite honored to have been able to shake hands and talk with Representative deStigter. Representative deStigter is Mr. deStigter's brother."

The trip was sponsored by Mr. Newton. The students were strictly on their own and they all seemed to enjoy their trip very much.

school counselor or principal. A new permit is required for each new job.

Lowrey Student Visits Washington For Rewarding Science Convention

The American College of Obstetricians and Gynecologists met for its fifteenth annual convention in Washington, D.C. on April 17-20. A Lowrey student was there this year as an official member of the convention.

Allen Huls, 12A-6, left Metropolitan Airport on Sunday evening, April 16, for the capital city. He flew there with two doctors, Charles L. Schneider, an obstetrician and gynecologist, and Ruby M. Engstrom, a pathologist, whom he had worked with in forming a scientific exhibit for the convention. He stayed until Tuesday evening, working at the exhibit, covering the other exhibits, sightseeing, and generally enjoying Washington.

The convention consisted of over two hundred exhibits mostly set up by industries for the purpose of displaying their latest equipment and medicines to the doctors. There were scientific exhibits, however, set up by some of the doctors themselves to demonstrate certain methods or show their research over the past year. All exhibits were done in the fields of obstetrics and gynecology, branches of medicine dealing with the problems and diseases of the fetus, or unborn baby, and the mother during the months of pregnancy.

The exhibit was based on an experiment done in Dr. Schneider's research lab on blood coagulation in laboratory rabbits and its effects as it could be related to women during the gestation period. A motion picture taken through a microscope of the experimental rabbit was narrated by Allan.

He jetted back to Detroit from Washington National Airport, arriving at Metropolitan at 7:50 p.m. Tuesday. Of this trip, he said: "It was just great. I gained a wealth of new knowledge and interest in these fields of medicine, and I certainly hope to be able to do more work in them soon."

FTA Officers At State Convention

Sheryl Ollie, 11A-7, and Chris Kilynek, 11A-5, president and vice-president elect of Lowrey's Future Teachers' Club, recently attended the 18th Annual Michigan Future Teachers' Association Delegate Assembly, which was held at Lansing, Michigan. The assembly was composed of student delegates from 100 different schools, with several senior M.E.A. (Michigan Education Association) members to supervise.

The keynote address was given by Mr. Robinson, M.E.A. Field Operations. His speech, "It's a Great World?", centered on teenagers. Mr. Robinson feels that if teenagers were given more responsibility, they would stay more open-minded. He also said that instead of teachers setting rules, the class should set them, and also enforce them.

Delegates to the meeting elected state officers for the next year.

Group discussions gave the students an opportunity to learn more of the field of education they are interested in. Groups consisted of Early Elementary, Elementary, and Senior High. Senior High was divided into separate areas such as History, Economics, Government, Physical Education, Math, Science, and Business Administration. Teachers who work in these various fields led the groups, and a general question and answer period followed.

Of the trip, Chris Kilynek commented, "I felt the convention was both fun and rewarding. I have learned a lot about teaching and the problems of the other F.T.A. clubs in Michigan which I hope I can pass along to our F.T.A. club."

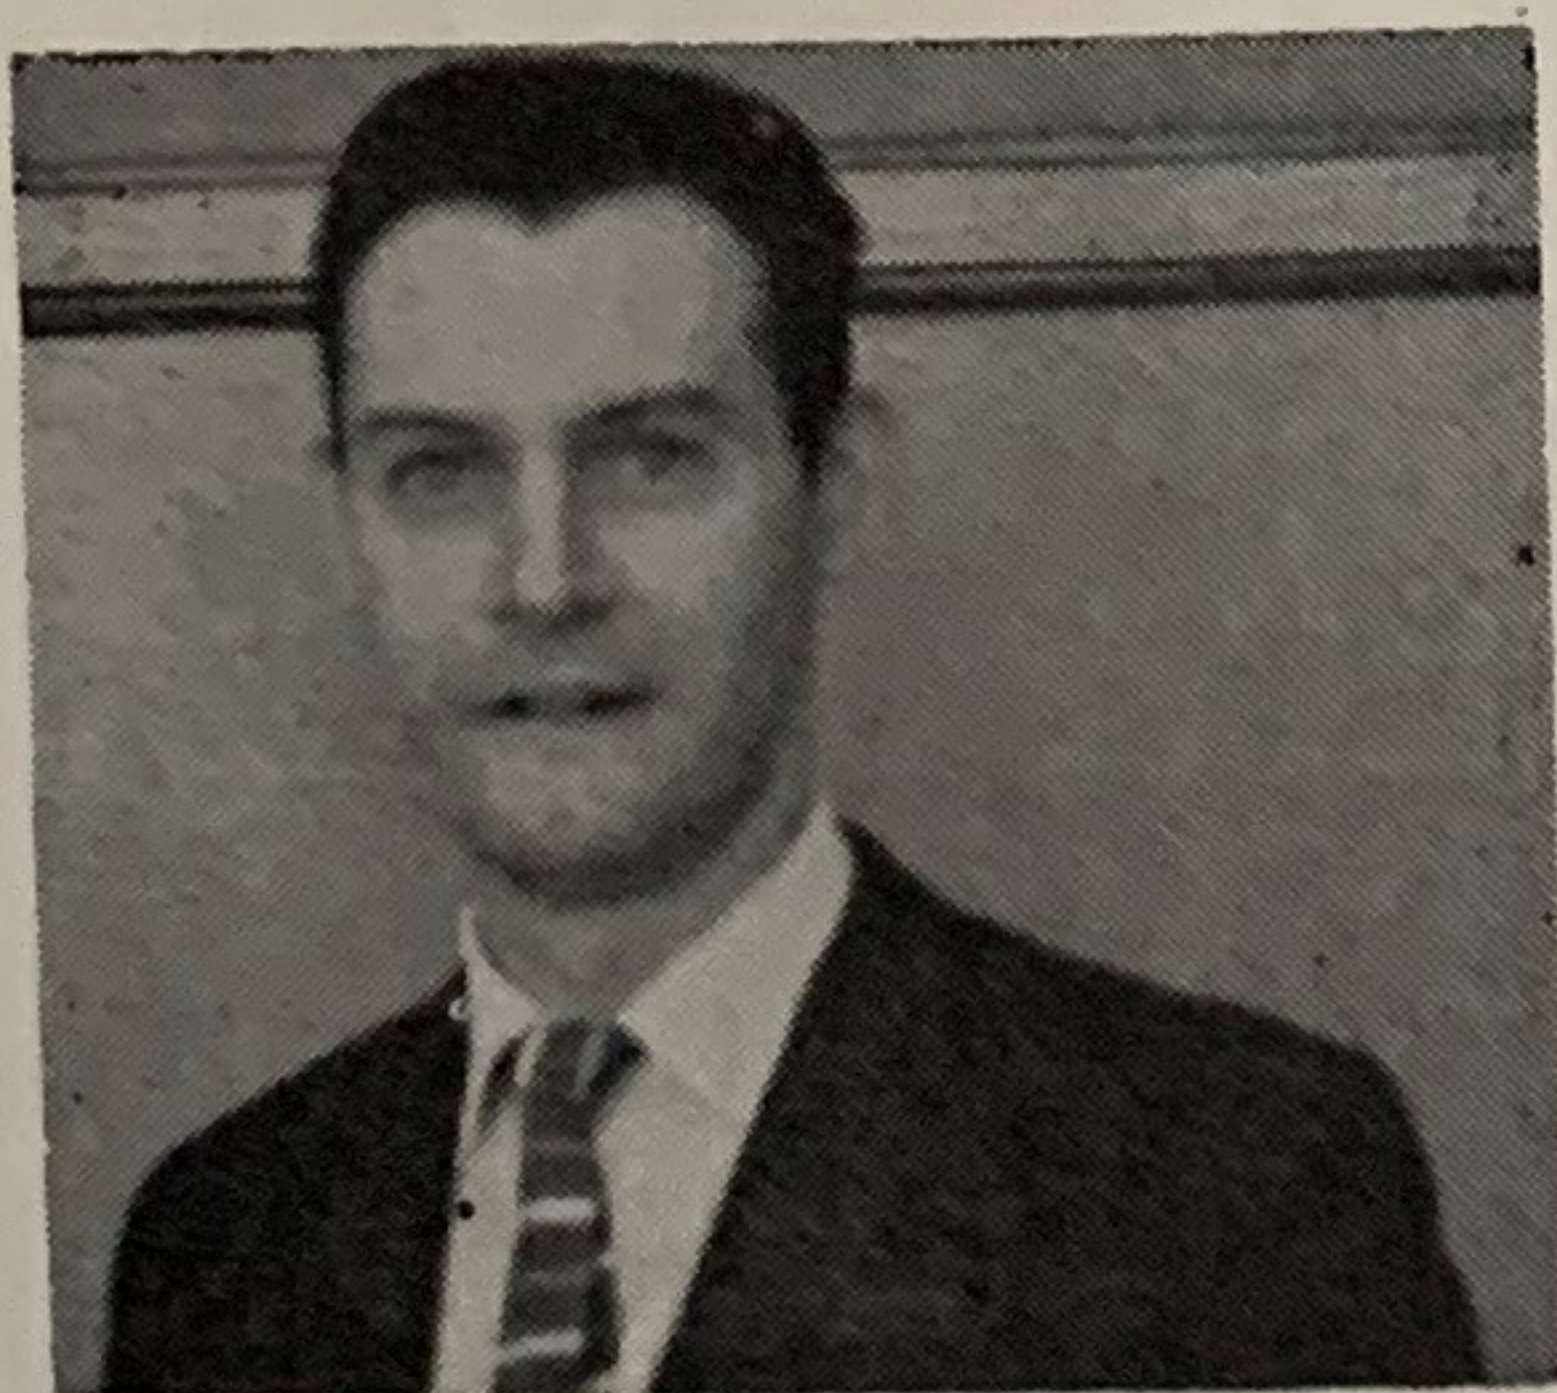

TEACHER PHASEOUT (from p. 1) re, the faculty members went out of their way to make me feel accepted. I like it here, and I feel that I've grown up with Lowrey."

The students of Lowrey by and large are surprising, enthusiastic and challenging."

This is a statement which was made by Mr. Leslie, an English teacher and head of the paper back store and Asterisk Club.

Mr. Leslie came to Lowrey in 1963. He taught at Grosse Pointe, Wayne Memorial and Wyandotte in the past. Mr. Leslie plans to transfer over to Fordson. When asked how he felt about being transferred he said, "I have mixed emotions."

Mr. Leslie received his B.A. from Wayne State, and his M.A. degree

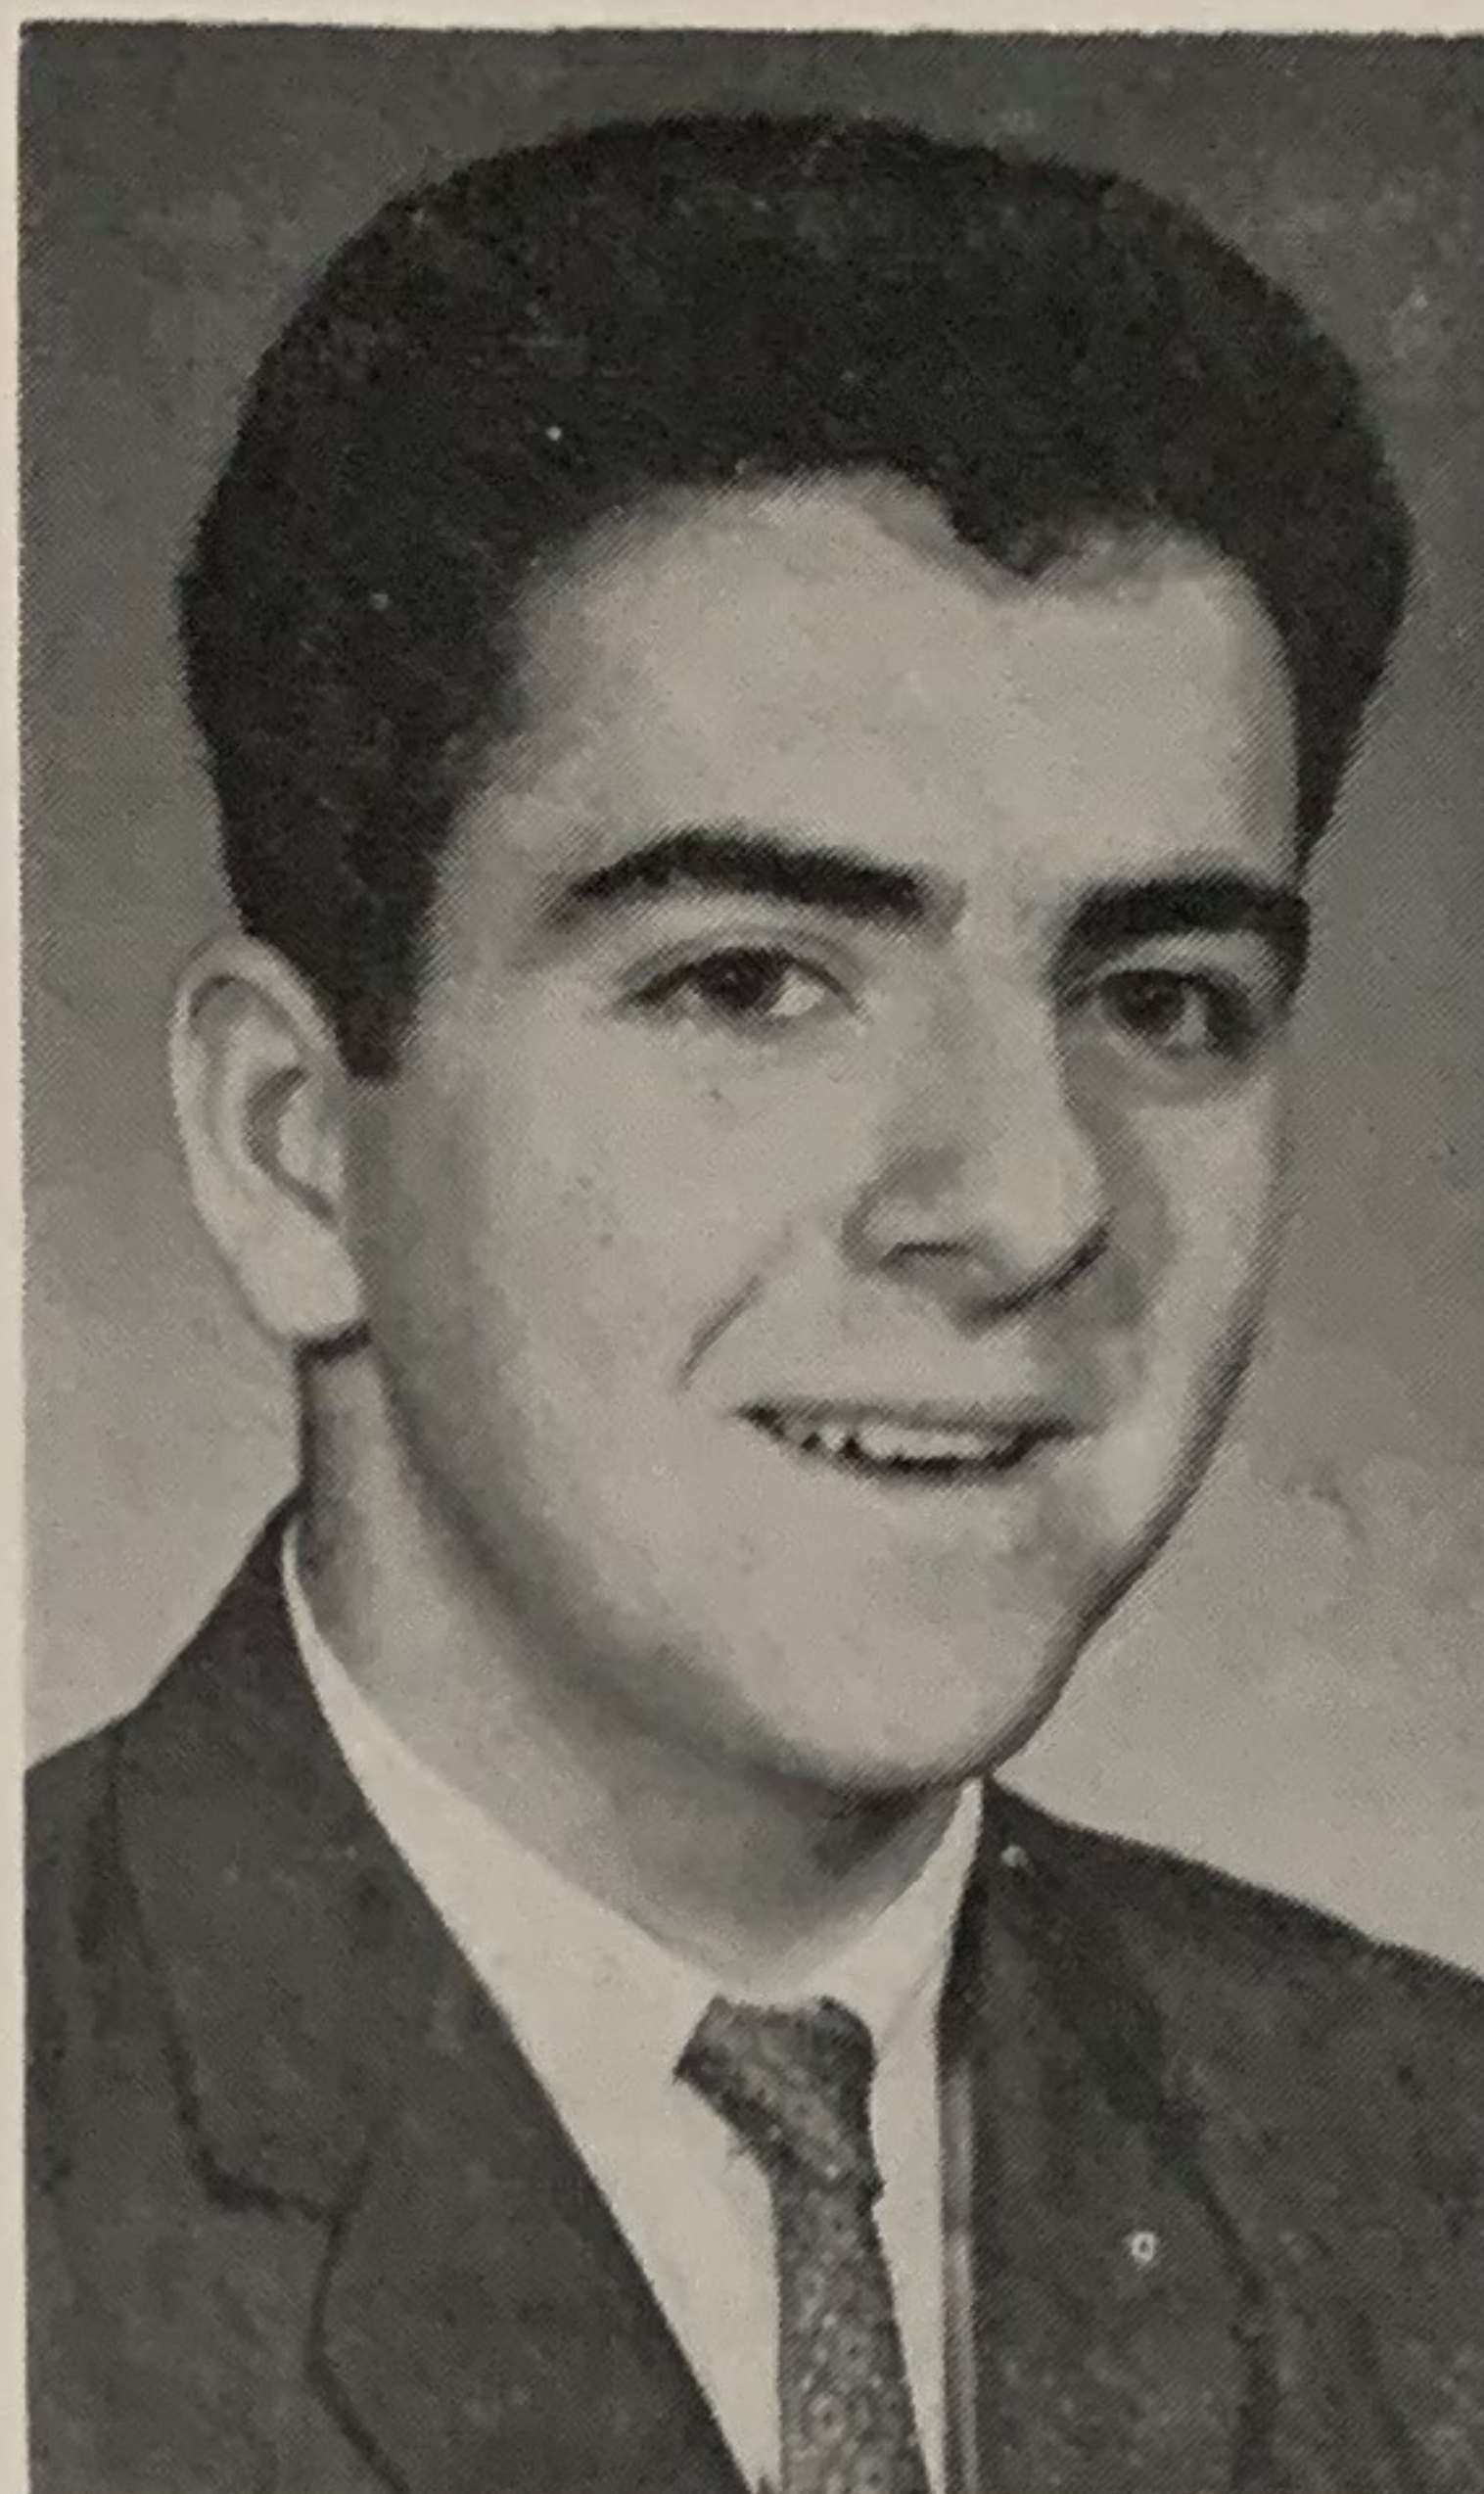

Mr. Leslie

from U. of M. He has also attended school in Kansas, Stanford, California and England.

When asked about losing the Asterisk and paper back book store he said, "I have enjoyed working with the book store and Asterisk. I will miss them and hope they will be continued. They filled a wide gap in the opportunity offered to the students and faculty."

City Hall Gets New Look For Student Gov't Week

The Dearborn city government was passed into the hands of high school students on April 27. Two students were selected from each high school in Dearborn. Duane Mackay, 11A, and Jerry Harrington, 12A, repre-

Jerry Harrington

sented Lowrey. The students were appointed top city administrative posts as part of National Youth Week.

Duane was in charge of the civil defense office. Most of his day was spent learning about the precautions the city has taken in case of a disaster or attack. Dearborn has many underground shelters through-out the city which are stocked with food. Duane also learned that Lowrey has one of the biggest shelters in the city and has plenty of emergency food. The effects of fall-out and the communications system were also explained and Duane commented that it all was very interesting.

Jerry took over the city auditor's job. Among the city auditor's duties are keeping track of the city's financial situation and residents' income taxes—which is done by computers. Jerry thought it was real interesting and said, "It was a real pleasure to be there."

All the students were able to meet Mayor Hubbard. Jerry added that Mr. Hubbard's favorite record, which he played for them, is "I Was Born in Dearborn."

After the students learned about their administrative posts, they attended a luncheon.

Sophs Conduct Candy Sale

May 11th our sophomore class sponsored a candy sale here at Lowrey. Boxes of Sander's candy were sold in homerooms before class by the homeroom representatives at \$1.00 a box.

Varsity And J.V. Cheerleaders Have Been Selected

The final selections for the varsity and reserve squad of cheerleaders have recently been made. The 14 girls who were chosen as the best of the 35 girls who originally tried out have been practicing during recent weeks to improve their skills. They were judged by Mrs. Burton, Mrs. Hodder, and Miss Lamerato on their jumps, cartwheels, and one cheer.

Picked for the varsity squad are: Sally Kinzer, 11A, captain; Karen Festian, 10A, co-captain; Debbie Greenwell, 10A; Elaine Kochoff, 10A; Maureen Marcenko, 10A; Dolores Morris, 10A; and Pam Zambo 10A.

The reserve squad includes: Colleen Hallstead, 10A, captain; Sue Keleman, 10A, co-captain; Randi Beattie, 10A; Cathie Dishong, 10A; Pam Gaddes, 11A; Arlene Harrel, 11A and Nan Pariseau, 10A.

Juniors Enjoy Successful Drive

The junior class en masse invaded the neighborhoods in and around Dearborn Heights collecting newspapers for their paper drive on Saturday, April 29. Work started at the unheard of hour of 9 a.m. and, considering that it was Saturday morning, a good number of kids showed up to dig in. All who came worked hard and most took a short break to throw a telephone book or two at a friend. Because of the great amount of help and a good number of squealing cars, the work was finished by about one in the afternoon. The truck was so full there was some difficulty in getting the doors closed.

As a result of the 29,000 lbs. collected, the juniors made a profit of \$101.85 — a job well done! The junior class would like to extend their thanks for all the help everyone gave.

Gabrys Breaks Track Record

Ed Gabrys star hurdler for the track, put his name down in the record books on Tuesday, May 2, 1967. It was on this day against Garden City West that Ed broke the school record for the high hurdles and turned in a time of 15.2 seconds. In the same race, Dan Hines finished second and tied the old record of 15.3 seconds. Brian Mertz finished third. The hurdling trio dominated the low hurdles race with Gabrys coming in first and Mertz and Hines following respectively.

This success did not continue for the Bears though, as the Tigers from West defeated them 63-55. Once again, the meet went into the final race, the mile relay, which West won to wrap it up. This was the second consecutive meet that the Bears lost on the last event of the day, the mile relay.

Lowrey Beaten By League Champs

The Kennedy Eagles handed Lowrey their first league defeat of the current baseball season Friday, April 28, 4-1. Kennedy, the defending Tri-River baseball champs, on a couple of singles and a sac-scored a run in the second inning rifice. Our boys tied the game up in the third inning on a single, a walk, and a ground out. The score stayed tied 1-1, till the fifth inning when the Kennedy hitters scored two runs and put the game away. Kennedy added another run in the sixth to make the final score 4-1.

Putters Do Well

Our senior high golf team took a trip to Brighton, Michigan, on Monday, May 1st. They participated in the 18 hole Dearborn Invitational, along with eighteen other schools. Lowrey beat two teams, Sacred Heart and Melvindale. Coach Flee, felt that the boys did fairly well although they did not place high.

Bob Gendren shot a 97 with teammate Tom Svendorf getting a 98. Tim Braum shot an even 100 with Mike Windiate finishing the scoring with a 102.

Errors Blamed For Bear Defeat

The Schafer Vikings whipped our baseball team 5-0, thanks to some poor fielding. A total of seven errors lead to all but one Schafer run. The only earned run off starter Danny Smith came in the first inning when with two outs, a walk, a stolen base, and a double, provided the winning margin.

The Polar Bears managed only two hits off the Schafer left hander;

L.H.S. Nine Wins Thriller

It took over three hours, and the game went nine innings; but Lowrey's baseball team won another thriller 6-4 at cold and rainy Garden City West.

Lowrey jumped off to two runs in the first inning thanks to Clyde Fisher's two run double.

Garden City West finally got to Fisher in the fifth on a couple of errors and chopped the lead 2-1. In the top of the sixth Lowrey added another run to make the score 3-1. In the bottom of the sixth G.C.W. tied the score at 3-3. Neither team could score in the seventh and the game went into extra innings. Both teams threatened in the eighth but couldn't push across the decisive run. In the ninth two walks, an error and a single gave Lowrey the lead 4-3. A ground out got the fifth Lowrey run in. Then Dan Smith got "hung up" on first base and while in the chase down Rick Shaw scored the third run of the inning and the sixth of the game. In the bottom of the ninth G.C.W. scored one run and had the bases loaded when the last man up struck out to end the game. Dan Smith, pitching in relief, got the victory.

Harriers Suffer 1st League Loss

The Lowrey High track team fell to its first league defeat of the year as it was downed by Southgate 64-54 on Thursday, April 27. They had been previously undefeated in disposing of four rivals.

The meet went right down to the final race as Lowrey was trailing by five points going into the final event, the mile relay. If they could have won that race, the score would have been tied. But Southgate was excited over the possibility of a win and took the race and the meet along with it.

The only surprise of the meet was Lowrey's superiority in the broad jump. John Hull took a first with Jim Shephard and John Ordus tying for second place. This is the first time this year that the boys have done so well in this field event.

Places Finished

Shot Put: Cornell, 1st,

Broad Jump: Hull 1st; Shephard, 2nd; Ordus, 2nd.

Two Mile: Yakes, 1st; Lee, 3rd.

Mile: Mathias, 1st; Gentry, 3rd.

High Hurdles: Gabrys, 1st; Mertz, 2nd.

Low Hurdles: Gabrys, 1st; Mertz, 2nd.

100 Dash: Ordus, 2nd.

220 Dash: Ordus, 1st.

440 Dash: Bydlowski, 2nd.

a bunt single by Jim Gnewkowski and a solid single by Moe Miller.

The defeat evened Lowrey's league mark at 2-2.

Sport Spotlight

This week's sport spotlight shines on senior Dan Hines. Dan has earned five letters here at Lowrey, two on the cross-country team and three on the track team. Dan was also elected co-captain of this year's cross country team. On the track team, Dan is one-third of our famed hurdling trio of Gabrys, Mertz and Hines.

Dan Hines

When asked why Lowrey he'd such domination over the other teams, in the league in hurdling, Dan put it this way, "The three of us have worked hard for the last four years. We have gone through, under and over hurdles and it is paying off."

Upon completion of high school Dan plans on carrying his B-average to Michigan Tech. where he will major in engineering.

Dan's favorite figure in high school sports is Bill Tipton of Pontiac Central. Bill is the number one high school hurdler in the nation.

The goals Dan has set for himself this year are to break 14.9 seconds in the high hurdles and beat Kennedy. Dan has recorded a time of 15.3 seconds in the high hurdles which tied the school record. A time of 14.9 would completely shatter it.

Netters Handed A Tough Loss

Our Lowrey Netters lost a tough one, Wednesday, May 3, against Southgate in an away exhibition.

The final score was 4-3 as Bob Kelly, Ken Mann, and Bruce Borum each won their single matches. Southgate in an away exhibition, they took one single and all three doubles.

Coach Sande said his boys played well and it was a tough break that they lost.

Answer To Shadow

The answer to this week's Shadow is Al Lawson, 11A-5.

Polar Bears Keep Tradition

Continuing the tradition of this year's majors sports teams domination of Riverside at home, the Lowrey track team defeated the Rebels 65-49 on April 26. Of the four major sports, football, basketball, baseball, and track, our school has defeated Riverside everytime they have played in the Bear's den.

The harriers did it with the same ingredients they used in other meets—domination of the hurdles, good distance running and a good showing in the shorter races.

In the hurdles, our "fearless" trio of Gabrys, Mertz and Hines took 17 of the possible 18 points. Ed Gabrys placed first in the low hurdles but could not find his form in the high. Brian Mertz picked up the slack, though and finished 1st in the high and 2nd in the lows, with Dan Hines finishing 2nd and 3rd respectively. It was just another typical showing for the boys though, as they have dominated both high and low hurdles thus far this year.

In the distant running, Jerry Mathias got back to his old form and placed 1st in the mile. Jerry has been hampered by a foot injury sustained earlier in the season. Sophomore Jim Yakes continued his good showing in the 2-mile race and took a second.

In the shorter races, John Ordus and Bob Newlin finished first and third in both the 100 yard dash and 220. It has been like this all year as John has been dominating both races in the meets so far.

Sophomore Ken Cornell was in form again and took another first place with his shotputting. Ken has finished first every league meet this season.

In other events, Dave Bydlowski took a first in the 440, John Chmela and Mike Smith finished 2-3 in 880 and John Hull placed third in the

Baseball Team Loses Third

The Southgate Sabers handed Lowrey their 3rd straight set back of the baseball season 3-1. Clyde Fisher started and went the distance in pitching well; but as usual the Polar Bears bats weren't booming and Southgate was the winner.

The game was scoreless until Southgate broke it open with three runs and five hits in the fourth. In the sixth Lowrey finally scored a run, after fifteen innings without scoring; Ron Collins crossed the plate on a pass ball and the score was 3-1. Steve Gerych then hit a tremendous drive which ended up a triple. Steve "died" there however and Southgate won 3-1.
