

Bits 'n' Pieces

by Donna Oakley
and Jeanette Timlick

Congratulations Seniors!! Your paper drive was a big success. The class earned \$94.50. The class officers and sponsors express their thanks.

Be watching the Polar Bear, he may be resurrected soon into his old grey suit, if all goes well through the Student Council.

Be sure and come to the big game tonight against Garden City West. You shouldn't miss the parade and festivities of Homecoming Day. Get into the spirit by using this:

WHO'S GONNA WIN TONITE
IF YOU WANT TO KNOW
LOWREY POLAR BEARS GO,

The Junior class is having a Sponge Dance on November 11th for the gals to ask the guys.

Students in grades 7 through 11 had their pictures taken on Oct. 4, and 5. They will be returned to your homerooms in mid November.

Officers Elected By Sophomores

The sophomore class election went like clockwork; it was held on Thursday, September 29, and the results were posted the next day in the Senior Lobby.

Elected were: for president, Jim Gnewkowski; vice-president, Danny West; for secretary, Emily Wayrynen; and for treasurer, Mike Clow. Elected for Student Council Executive Board were Karen Festian and Bob James. It might be noted that the race for treasurer was very close, with Mike Clow beating Wanda Edwards by one vote!

The class nomination and election procedures began on Monday, September 19. At that time petitions for nominations were made available to any ambitious sophomore. They were turned in on Wednesday the 21st, and Thursday of the same week a list of the qualified candidates was posted.

On Wednesday, September 28, a class assembly was held, campaign speeches were given, and the election was held the following day in all sophomore homerooms.

The candidates accepted as qualified for the respective offices were:

Variety Offered At Bookstore

Variety at your fingertips. Have you ever heard the title of a book mentioned and had the urge to buy it, but had no idea where to begin? Once again this year Mr. Leslie opened the bookstore. It opened October 5 and will extend throughout the school year. Mr. Leslie will bring to all students the opportunity to read some of the best material written.

Many wonder about price. Well, worry no more, for this program enables YOU to purchase books at almost a quarter of their original price. The modest range of 35 to 95 cents will bring to you more reading enjoyment that can help build your own home library.

Every Monday through Friday the bookstore will be open to all students during the hours of 12:00-12:30 and 1:00-1:30, providing a student has a pass.

If you wonder what types are available, just walk up to Mr. Leslie and ask him. You will probably receive an answer such as this: "You name it—we've got it—or we'll get it." With over 200 different titles and a possible increase to 500, Mr. Leslie is quite confident that your need will be satisfied.

Volunteers for work would be appreciated says Mr. Leslie. Any Literary Club member interested is urged to sign up as soon as possible.

Many factors have prompted Mr. Leslie into opening the bookstore, but he describes it as follows: "Paperbacks are becoming popular everywhere. I wanted to help provide good reading for Lowrey students and at the same time give financial help to Lowrey's great literary magazine, the *Asterisk*."

Teacher Reports Due Soon

This past week teacher reports to parents were made out. They were given to counselors for approval and they will mail them out this next week.

These are sent out each card marking to parents of students who are in danger of failing or who could do much better than they are doing. These reports do not always mean failure but it should be a sufficient warning to get students to work and stop fooling around.

"Moonlight and Roses" Welcome Home Grads

Congratulations are extended to Lowrey's 1966 homecoming Court. From left to right, Karen Festian, Diane Belcher, Ilene Elandt, Queen Sandra Baker, Gail Dearvang, Barbara Fasulo, and Brenda Browne. They will reign at the Homecoming festivities this afternoon and tonight.

Dance To Start at 8 P.M.

Tonight marks the glamorous and festive evening when Sandra Baker and her court will reign in full splendor at our annual Homecoming. Sandie was chosen by the seniors last Friday to represent Lowrey at the Moonlight and Roses Dance.

Her court, consisting of seniors Gail Dearvang and Ilene Elandt, juniors Diane Belcher and Barbara Fasulo, and sophomores Brenda Browne and Karen Festian, will accompany Sandie as she walks down the aisle to her throne.

Sandie will be escorted by Jerry Harrington, president of the Student Council, during the parade at half-time. Other escorts will be Mo Miller, Steve Gnewkowski, Wayne Johnson, Alan Huls, Danny Hines, and Dave Bydlowski. Alternates will be Edward Wigley and Louie Lollo.

The dance will begin at 8:00 p.m. and the queen will make her entrance to her throne at the mid-point of the evening.

Juniors Plan For "Penny Pinchers"

During recent Junior Class meetings, the main topic of discussion was the November 11 Sponge Dance to be sponsored by the Juniors. The dance will be called Penny Pinchers. Girls better get your boyfriends on a diet, or stay on the lookout for a "slim-Jim", because admission for the dance will be a penny a pound! Without an activity book it will be \$.25 more.

Attire for the dance will be more or less casual, with the boys wearing sport coats or sweaters and ties.

There will be something about the band in future issues of the *Lowrey Light*.

If any Junior would like to serve on any committee for the dance, contact either your homeroom representative, class officer or executive board member and they will give you the needed information.

Yearbook Sales To Begin Soon

Lowrey's Annual will go on sale the later part of this month, according to Mr. Falvo. Orders will be sold in all 10 through 12 homerooms by homeroom representatives.

The price hasn't been set yet but it will be between \$3.00 and \$3.50.

This year the annual will have between 120 and 136 pages with a new program planned for it.

Bruce Borum, editor, and Mr. Falvo said that it should be one of the best annuals Lowrey has put out yet.

Incidentally, senior class pictures must be turned in to Mr. Falvo by December 5 if they are to be in the yearbook.

Order your annual and don't forget to get those pictures in, if not now, by December 5.

Lowrey Affiliates With National Honor Society

In Lowrey School a select group of students who excel in scholarship, leadership, character and service were elected to membership in the National Honor Society last fall. They are:

Cathy Andrusiak	Gail Dearvang	Cindy Kea
Bruce Borum	Ed Gabrys	Diane McFarlane
Christine Cafini	Steve Gnewkowski	John Luchini
Jan Carlson	Judy Jubenville	Paula Wilder

A student must maintain a 3.25 average for three semesters or a 3.0 average for five semesters. After this requirement is fulfilled, a faculty committee, headed by Mr. deStigter, judges the candidate for his character and service to the school. Mr. Keiffer is the only original member, besides the chairman, left on the board due to Mr. Butke and Mr. Bodary resigning. Dr. Seavitt will, in the near future, choose members of the faculty to fill the two vacancies.

The faculty committee is planning on selecting the nominees from the junior and senior classes in the near future. Students will be receiving notification if they are accepted as a member of the National Honor Society. This is a great honor and few attain this great accomplishment. It is something to work for and be proud of.

Lowrey graduates from the class of 1966 elected to the Honor Society are as follows:

Sue Dworakowski	Linda Irons	Robert O'Neal
Richard Fritz	Carole Lake	Lana Presley
Nancy Fought	Steve Lenard	Dennis Pysz
John Haktsean	Frank Ligi	Paul Serri
Sheryl Harrison	Marlene MacIntosh	Ruth Stuart
Linda Hawkins	Walter Mascuilli	Dorothy Thompson
Bill Holbird	Bob Miglio	Jan Ting
Jack Daquano	Gary Moody	Jan Wismuller
Joanne Bowers	Jean Novack	David Zuk

Browsing Around Seniors Urged To Plan Ahead

Folk Club Notes

With newly elected officers, the Folk Club is on its way to a fun filled musical year. David Bydlowski, president, along with Barbara VanAssche vice-president, Marlyn Nunn recording secretary, and John Luchini corresponding secretary, are planning many new ways of approaching folk music.

At the second meeting held on October 5th, David started that he would like the club to look into many different types of folk music, such as civil rights, war, peace, and poverty. The club also plans to listen to many different folk music singers, The Smothers Brothers, Joan Baez, Judy Collins, and the old stand by Peter Paul and Mary.

Attention seniors! All seniors interested in attending college please contact your counselor. Many people representing different Michigan colleges will be here during the school year to talk with you and answer any questions you might have concerning the school they represent.

Mr. Rigotti, a senior high counselor, suggested that all people interested in attending any school, such as business, industrial or a liberal arts college, should contact their counselor and fill out an application as soon as possible.

Catalogs are available in your counselor's office concerning the college of your choice and notices will be on the Senior Bulletin Board, the bulletin board by the Auto Shop, and in the Daily Bulletin.

This full length comedy by David Rogers is adapted from the book by Max Shulman. The action surrounds the small town of Putnam's Landing. The U.S. Army tries to establish a missile base with not much results. The townspeople object and the public relations officer has his hands full if he is to keep open warfare from breaking out between the citizens and the Army.

Through an amazing series of funny incidents and accidents, one of the missiles "which can't possibly go off," does go off! It is a wonderful, wacky comedy which will delight everyone.

The play director, Mr. Salowich, commented that on reading the play he found it to be one of the funniest that he had ever read. The characters are real and the events hilarious, he commented.

Future Teachers

This fall we have three student teachers in our high school.

Mr. Cory, who is a student teacher under Mr. Roe, will be here at Lowrey until December.

He majored in history at Western Michigan University and will graduate in December after he finishes his practice teaching.

Mr. Cory's wife is also a teacher in Southgate.

Our student art teacher, Mr. Dear, is from Toronto, Canada, and has lived in Michigan since the sixth grade. He graduated from Fordson High School and is now attending Central Michigan University.

Mr. Dear has always been interested in art and his hobbies are photography and movies.

When asked how he felt about teaching at Lowrey, he replied, "There's only one thing wrong in working with Mr. Jones and the students and that is having to leave November 11."

Mathematics is Mr. Ted McMillan's subject and he is working with Mr. Flee. He will graduate from Central Michigan University this January with a bachelor's degree in secondary education, and will work on his master's degree in mathematics while working as a teacher. He will be at Lowrey until November 11.

Sophs Join Cheerleaders

Miss Lamarado, sponsor of Lowrey's cheerleaders, recently announced the formation of a 10th grade cheerleading squad. The cheerleaders' clinic was held on September 19, 20, and 26, and the judging was held on the 27th. The reserve cheerleaders for the '66-'67 school year are as follows: Karen Festian, Colleen Holstead, Elaine Kochoff, Maureen Marcenko, Delores Morris, and Pam Zambo.

The varsity cheerleaders recently traveled to Edsel Ford High where they participated in a cheerleaders' clinic. The cheerleaders exchanged cheers and exercises to aid in their jumps and kicks.

The varsity cheerleaders received some new equipment this year, including clappers, pom poms and bright wool shirts.

New Faces Among the Faculty

Lowrey's teaching staff has undergone considerable change since last semester. We would like to welcome all new teachers to Lowrey and introduce four new teachers to you. More introductions will follow in the next issue of our paper.

MR. BRICKLE

Our new chorus instructor is Mr. Charles Brickle. He replaced Mr. Coedy who retired last year. Mr. Brickle attended Eastern Michigan University and majored in music. He holds a minor in voice instruction. Before coming to Lowrey he taught elementary vocal music in Taylor, Michigan.

In 1960 and 1961 he played professionally in Southern California. His talent at the piano was shown last winter when he was featured in a solo piano recital at the Dearborn Youth Center. During the summer he worked for the Dearborn Department of Recreation. He worked on the Collegiate Players production of "Fantasticks," and a junior-senior high production of "Oliver."

When asked how he felt about Lowrey his reply was, "I like Lowrey very much so far. There is a lot of work that can be done here, and I hope to accomplish part of it. I would like to create a schoolwide interest in the vocal program, and this will take time. I urge all interested students to sign up for one of the vocal courses. I promise an interesting class. I expect hard work and an enthusiastic attitude. I'm sure the students at Lowrey will be just that."

For hobbies Mr. Brickle enjoys boating and fishing on Lake St. Clair. He has his own boat, an eighteen-foot Thunderbird docked near Metropolitan Beach.

MRS. BURTON

Mrs. Annette Burton, formerly of Royal Oak where she taught for two years, has joined our commercial department. She attended West Texas University and graduated with a B.A. degree in education, majoring in business administration. She plans on continuing her education and is now working on her M.A. at the University of Michigan. She chose the business field because she feels it insures a good job position for students.

Mrs. Burton enjoys traveling, knitting, and reading, and prefers a domestic life.

She made the following comment on her first impression of Lowrey's students: "Compared to other high schoolers, Lowrey's students are more quiet and cooperative." She looked forward to coming to Lowrey and feels it will be a rewarding experience.

MISS DONAHUE

Our English department has added a teacher with a varied educational and teaching background. Miss Donahue has taught for eleven years in Chicago and Detroit. She has a B.A. in English from Marygrove College and a M.A. in English from Notre Dame.

Miss Donahue spent last year as a student at Wayne State. She has a B.A. in Humanities from Wayne and is presently working on a M.A. in Humanities, which she will receive this Christmas.

Miss Donahue's outside hobbies include tennis, art, and reading. When asked what her first impressions of Lowrey were she stated, "It's a busy place, but it's friendly, and has an attractive atmosphere."

MR. MALIZIA

A recent addition to our mathematics department is Mr. Robert Malizia. By no means new to teaching, Mr. Malizia has taught previously at Robichaud High School and Break Junior High, Taylor. He received his schooling, which consists of a bachelor's degree in mathematics with minors in physics and history, at Eastern Michigan University. Presently he is studying for his master's degree at Eastern.

Mr. Malizia is married and has two children, a boy and a girl. He enjoys watching sports, with a special interest for football. Asked rather prematurely what his impressions of Lowrey were, he remarked simply that he thought it "awfully huge."

G.A.A. Members

G.A.A. swimming began Thursday, September 22, and will continue every Thursday until the end of October, according to Mrs. Superko, new sponsor of the club.

The G.A.A. will have a meeting in October to give the sophomores who are interested in joining a chance to acquaint themselves with the present members. All interested girls are urged to attend.

Tentative plans for the club include table tennis in November and basketball in December. This will continue for the rest of the semester.

THE SHADOW

This time **The Shadow** is following a sophomore girl. See if these clues can help you guess who she is.

First hour you can find her talking away in Mr. Schuttlitz's study hall.

In Mr. Roe's second hour world history class you can find her doing movie summaries and catching up on current events.

You can find her in Mr. Mascioli's typing class third hour hunting for the right keys on the typewriter.

During lunch, fourth hour, you can find her table hopping and talking to everyone who passes.

Style Show Near

What personality type are you? Are you the Ingenue, the Junior Deb, the sophisticated type? Or perhaps you consider yourself the Casual Type! Fashion and personality go hand and hand, so a peek at your wardrobe should provide the clue.

On Thursday, October 20th, 'Personality Fashions for the Modern Miss' will be presented to all senior high girls here in Lowrey School 7th hour. Mrs. Dotson, one of our home economic teachers, will introduce Mrs. Hamrick, Simplicity's Educational Stylist, who will present an exciting new wardrobe styled especially for teens and modeled by 25 of Lowrey's own students.

Search On For Best Homemaker

Attention all senior girls! Now is your chance to enroll in the "1966-1967 Betty Crocker Search for the American Homemaker of Tomorrow." Enrollment cards can be obtained from Mrs. Dotson in room 241 and must be filled out and mailed by October 31. On December 6 there will be a fifty minute test in room 241 during the sixth hour.

The girl who is named "Homemaker of Tomorrow" from our school will be considered for college scholarships ranging from \$500 to \$5,000. If one of Lowrey's students becomes the State Homemaker of Tomorrow our school will receive a set of the Encyclopedia Britannica.

Every girl participating will gain a better understanding and appreciation of homemaking. Beyond sewing, cooking and other homemaking skills, the program stresses healthy attitudes and good judgment in the field of family living.

about insects is where our heroine can be found fifth hour.

Her major interest in Mrs. Koehler's English class is trying to get away with doing her world history homework.

While in Mrs. Superko's gym class, you can find her getting bruises while playing field hockey.

Your Two Cents

Question: If you could be anything in the world, what would you be? **Mark Miesmer, 11B-7:** A movie camera.

Colleen Halstead, 10B-5: A right-side contact lens. So I can pop out of people's eyes and get lost on basketball courts, football fields, etc. **Sandy Roedding, 11B-9:** A pearl, because it's pretty.

Jeannie Gregely, 11B-4: A genie.

Barb Nunn, 10B-9: A star in the sky.

Moe Miller, 12B-8: A coach because I think it's interesting.

Jon Thostenson, 12B-11: Hockey announcer, because I like talking and hockey.

Linda Caldwell, 12B-2: A nurse because I like to help sick people in need and I like to meet the public.

Jerry Franklin, 12B: I wish I was a Ford and had a better idea.

Dan Henson, 11B-4: Superman so I could fly.

Greg Grendel, 11B-4: Vampire so I can journey to Transylvania.

Janice Lawrence, 10B-7: A school teacher because I like kids.

Bettie DeGrandchamp, 10B-3: A nurse because I like to take care of children.

Mr. Hipkiss: A gorilla because no one would mess with me.

John Smith, 12B-10: A horse because I like to run free and wild.

Elaine Kochoff, 10B: A famous painting because people would come from all over the world to admire me.

Charles Gabel, 11B-3: A driver of the fastest Mopar because Mopars are great.

Tony Lucas, 12B-7: A 1967 Cougar because they're cool.

Jeanine Renaud, 12B-9: A medical technologist because I like to work in a lab and I like science.

Vickey Simpson, 12B-10: A hundred dollar bill, then everyone would want me.

Jerry Fisher, 11B-4: A question, then people would not ask me silly questions.

Eagles Hand Bears First League Loss 27-7

Harriers Split

Our Lowrey Harriers came through with their first victory of this young season by defeating Allen Park, 39-22. They ran at Hemlock Park on Tuesday, September 28.

In this non-league contest, Lowrey took three out of the first five places.

Lowrey placed as follows:

- 2nd _____ Ed Green
- 3rd _____ Terry Fritz
- 4th _____ Duane Mackey
- 6th _____ Jim Yates
- 8th _____ Dave Smeerer

Lowrey's reserve team also won, beating Allen Park in a close race, 32-29.

Lowrey was shut-out on Thursday, September 29, by the defending class B state champions, Riverside. The Rebels proved to be too tough as they took the first five places. This meet was held at Hines Park.

Coach Weller had a comment after this meet, "Riverside won the state class B championship last year, and it looks like a sure bet to repeat."

Thus far in this early season of cross-country our harriers have compiled an over-all record of one victory, two defeats and one tie.

Reserves Win Again

Lowrey's reserve football team continued its winning ways by defeating Riverside 28-0 in a game played at Riverside High School. For the third straight game the reserves were unscored upon.

During the first period, the offense loafed. They still got a touchdown, scored by Jim Gnewkowski on an 80 yard run. This performance was marred slightly by the two Polar Bear fumbles.

The second period had one fumble by the Bears. This was made up an interception by Gnewowski, who went for his second touchdown. Both of the extra point attempts were unsuccessful and the Bears went off the field with a 12-0 lead.

The second half was played well by both the offense and defense of Lowrey. Two more touchdowns were made, one by Broge and one by Gnewkowski. The extra points were made by Andrusiak.

The defense played exceptional football the whole game. They made one safety for two points and held Riverside scoreless.

SOPHOMORE OFFICERS ELECTED

(cont. from page 1)

Emily Wayrynen, Elaine Kochoff and Barbara Rogers; and treasurer, Raisa Charboneau, Debbie Stronach, Donna Drawczek, Mike Clow and Wanda Edwards. The three who ran for the Executive Board were Pam Zambo, Bob James and Karen Festian.

Polar Bears Top Tough Rebel Team

Our varsity football squad continued its undefeated league play by defeating Riverside 13-7 in an exciting game won in the last 30 seconds on a 35 yard pass play from John Hull to Brian Mertz. The game was played at home on Friday, September 30.

The game started with Riverside receiving the kickoff. They held the ball shortly, progressing only to their own 40 yard line where they had to punt. The Bears moved the ball down to the Riverside 20. The threat was squelched though when a holding penalty pushed the Bears back 15 yards. They got the ball down to the Riverside 18 but lost it on downs. The Rebels got to their 42 where the period ended.

REBELS SCORE FIRST

Failing to get the first down Riverside punted to the Lowrey 10. On the first play the Bears fumbled and Riverside recovered on the Lowrey 12. On their first play the rebels scored. Their extra point was made and they took the lead 7-0. Steve Gerych took the kickoff and ran it back 23 yards. The Bears failed to take advantage of this again, because of another holding penalty. Lowrey lost the ball on downs and Riverside took over on the Lowrey 48. They moved the ball down to the Bears 26 but lost it on a fumble covered by John Hull. Lowrey moved the ball up to our 46. There Steve Gerych broke away and ran all the way to the Rebels 11 yard line. Two plays later John Hull took the ball over from the 5 for a Lowrey touchdown. The try for extra point failed but the Polar Bears were on the scoreboard. The rest of the first half went without further scoring.

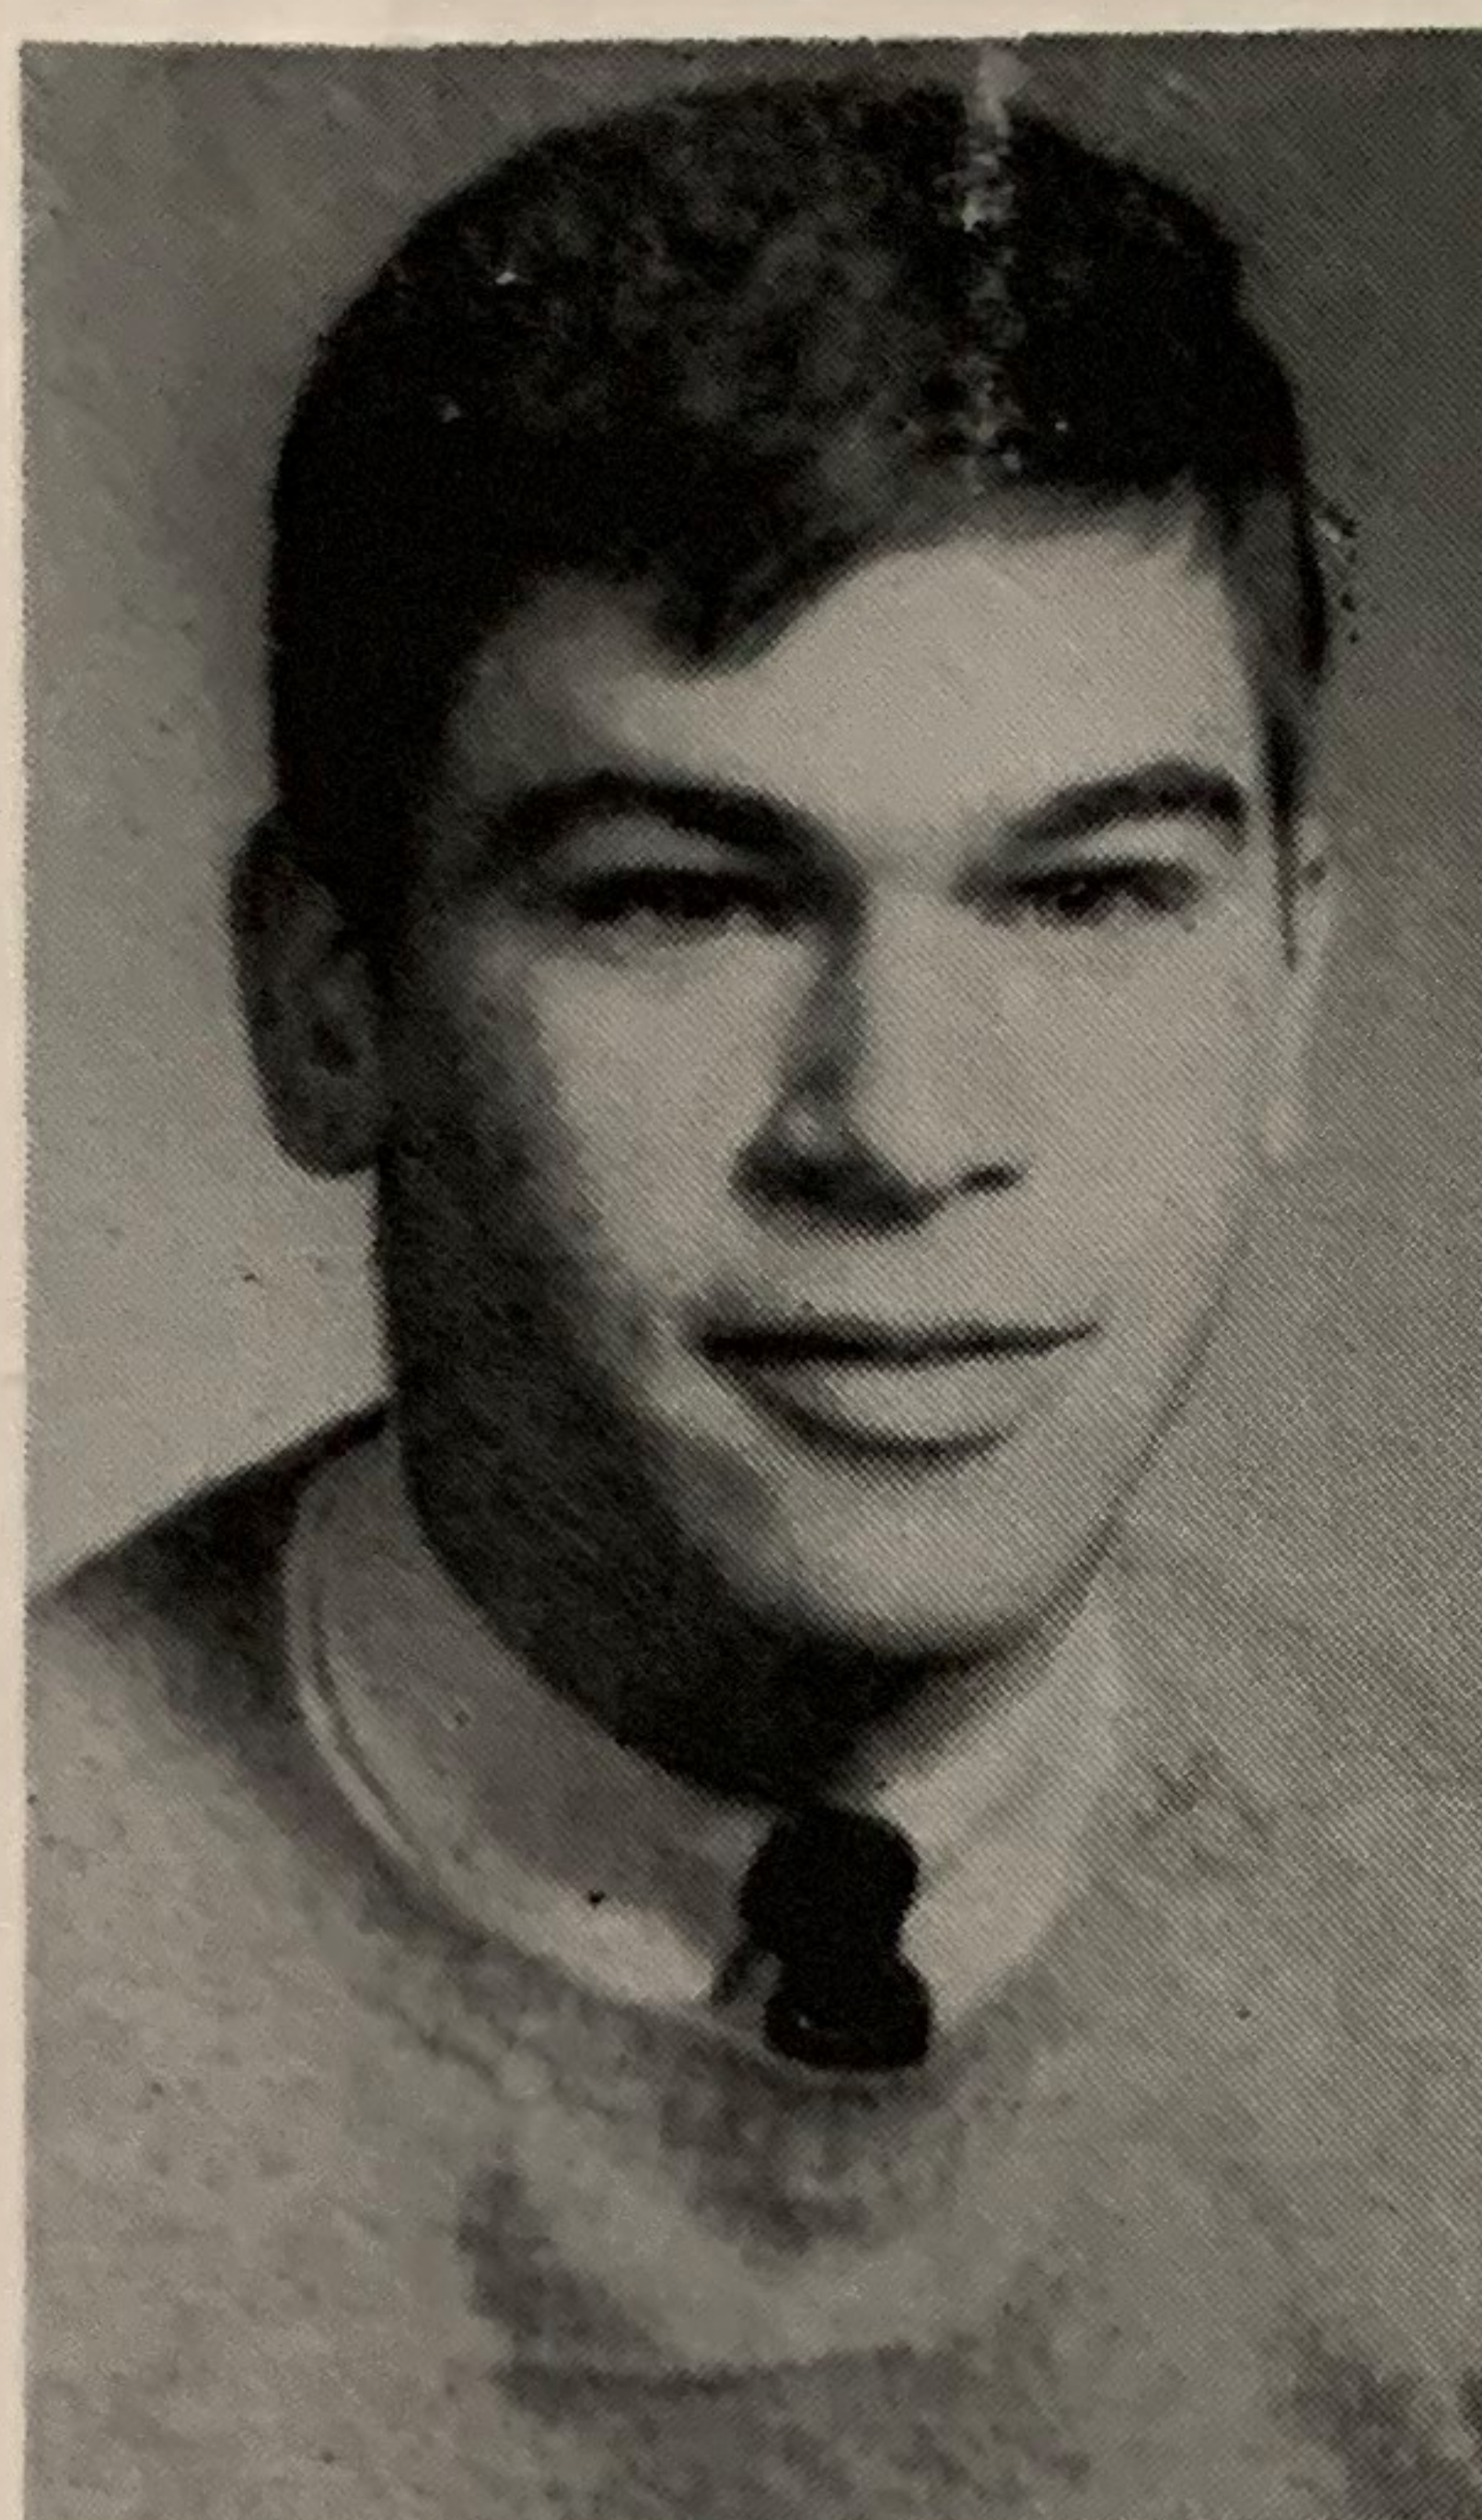

TOUCHDOWN NULLIFIED

Lowrey received the kickoff to start the third period. They moved the ball up to the 40 where they fumbled, Riverside covering the loose ball. The Lowrey defense, tough the whole game, forced Riverside to punt. The punt was taken at the Lowrey 19. The Bears again started a drive that moved the ball to our 37. Ed Gabrys, halfback, then made an electrifying 63 yard run. But it was called back for a clipping penalty, the third major penalty of the game against the Bears. The third period ended with the Bears backed up against a wall, trailing 7-6.

The fourth period progressed with the Bears frustration getting greater. With the Bears moving, Riverside intercepted a pass with less than four minutes remaining in the game. With less than two minutes left the Polar Bears got their final chance.

With less than one minute they were still a long way from the Riverside goal. Gene Ellefson took

Sports Spotlight

Dave Bydlowski

This week's Sport's Spotlight is centered on Dave Bydlowski, 12B-2, of the cross country team. Dave is the vice president of the senior class and he is maintaining a 3.2 average. He intends to go to college and become a scientist or an engineer.

His interest is golf and hockey and he's on the Dearborn Heights Hockey Team. He also enjoys folk music and is one of the Merriman. He is a charter member of the Lowrey High Folk Club.

He has been a member of the cross country team for two years, and is a member of the Varsity Club. He also earned a letter in track and has participated for three years.

His hopes for Cross Country Team is for Lowrey to come in 1st and be able to take the state meet. His personal goal is to break 11 minutes and 15 seconds in cross country. When asked his most rewarding experience in sports he replied, "The day we broke the mile relay record in the city meet... And when the Hockey team took 3rd in the state."

THE SHADOW

The answer to the Shadow in this issue is Jackie Wells, 10B-14.

the pass from center and gave it to Hull. They rolled out to the right with interference leading the way. Spying Brian Mertz in the end zone, Hull lofted a perfect spiral pass toward Mertz. As the ball fell into Mertz's hands, he crossed the goal line, and the Lowrey fans went wild. The extra point was made and the Polar Bears took the lead 13-7.

After the kickoff Riverside was able to make two plays. Both were for long gains, but the final tackle was made and the Bears went off the field with their second Tri-River League victory.

Garden City W. Homecoming Foe In Today's Battle

Our Polar Bears lost their first Tri-River League game of the season as they were defeated by Kennedy 27-7 on Saturday October 8.

Early in the first period Kennedy scored on a 71 yard run. After Lowrey got the ball they were forced to punt. The punt was blocked and Kennedy took over on the Polar Bear 20. A series of penalties and long losses pushed them back to the Lowrey 47. The first quarter ended with Kennedy leading 7-0. Lowrey 47. The first quarter ended with Kennedy leading 7-0.

In the second period John Ordus caught an Ellefson pass for a gain of twenty yards. On the tackle Ordus was shaken up badly and was helped off the field. The Bears failed to score and went off the field at half-time trailing 7-0.

Midway in the third quarter Kennedy scored two quick touchdowns to put the game out of reach. With the Bears on the Eagle's sixteen yard line a fumble gave Kennedy the ball. Shortly after that they passed for a touchdown.

The Bears took the kickoff on their thirty, but a fifteen yard penalty put it back to the fifteen. On the next play the Bears were dropped for a nine yard loss, then a fumble gave Kennedy the ball on the Polar Bear six. The Eagles capitalized and scored, making it 20-0.

The Bears finally got on the scoreboard with a pass from Gene Ellefson to Billy Branton. Kennedy got their last touchdown on a long pass.

The fumbles played an important part in the loss. One was when they were deep in Eagles' territory and one was right after a Kennedy touchdown while the Bears were deep in their own territory.

Metamorphosis Protested

To protest the change which has come over our beloved mascot, the Student Council proclaimed Friday, September 30, a day of mourning for our Polar Bear.

Students draped the Polar Bear in a black sheet during a prehome-room ceremony, which included taps played by Bruce Borum. On a sign that was to represent the gravestone, the following epitaph was printed: IN MEMORY of OUR DEFACED POLAR BEAR. Our mascot remained in mourning all during Friday and was back to normal on Monday.
